Social Work in Europe Charlotte Williams 2013-09-13 It is an acknowledged if not accepted fact that all European societies are being fundamentally transformed, and indeed perceptively unsettled, by increased migrations across nations and by the asserted presence of established minorities within their borders. The scale and speed at which these transformations have taken place have brought in their wake considerable social impacts and no small measure of fear and anxiety. Encounters with such diversity are part and parcel of the social work task, and learning how to negotiate them should be a de facto aspect of the training and continuous professional development of social workers and other social professions. However, the moral and political dimensions of the role, scope and nature of the social work task in responding appropriately to these changed and changing realities are rather more contested. This volume addresses many dimensions of the response to issues of race and ethnicity in social work practice in Europe. It extends the debates on inter-cultural and race equality practice in social work through a stimulating and innovative collection of contributions. This book was originally published as a special issue of the European Journal of Social Work.

Joining Johanna Lindsey 2010-10-12 The remarkable Lindsey magic is stronger than ever! The spectacular #1 bestselling author returns with a glorious tale of passion and duty set in medieval England. A betrothal has been announced that will join together Britain's two most powerful families, a union of wealth and influence to rival even the King's himself. But not only does the dangerously ambitious King John oppose this wedding, but Milisant and Wulfric: the intended bride and groom, are equally unhappy with the arrangement. Two passionate, headstrong people, they resent being thrown together for purely dynastic reasons. But fate's many twists and turns, and the unpredictable predilections of two unconquerable hearts will turn an unwanted marriage of convenience into a true and eternal joining of desire and love.

Virgins: An Outlander Novella Diana Gabaldon 2016-04-08 NEW YORK TIMES BESTSELLER • A young Jamie Fraser learns what it really means to become a man in this Outlander prequel novella. Featuring all the trademark suspense, adventure, and history of Diana Gabaldon's #1 bestselling novels and the Starz original series, Virgins is now available for the first time as a standalone ebook. Mourning the death of his father and gravely injured at the hands of the English, Jamie Fraser finds himself running with a band of mercenaries in the French countryside, where he reconnects with his old friend Ian Murray. Both are nursing wounds; both have good reason to stay out of Scotland; and both are still virgins, despite several opportunities to remedy that deplorable situation with ladies of easy virtue. But Jamie's

love life becomes infinitely more complicated—and dangerous—when fate brings the young men into the service of Dr. Hasdi, a Jewish gentleman who hires them to escort two priceless treasures to Paris. One is an old Torah; the other is the doctor's beautiful granddaughter, Rebekah, destined for an arranged marriage. Both Jamie and Ian are instantly drawn to the bride-to-be—but they might be more cautious if they had any idea who they're truly dealing with. Praise for Diana Gabaldon's Outlander series "Marvelous and fantastic adventures, romance, sex . . . perfect escape reading."—San Francisco Chronicle, on Outlander "History comes deliciously alive on the page."—New York Daily News, on Outlander "Gabaldon is a born storyteller. . . . The pages practically turn themselves."—The Arizona Republic, on Dragonfly in Amber "Triumphant . . . Her use of historical detail and a truly adult love story confirm Gabaldon as a superior writer."—Publishers Weekly, on Voyager "Unforgettable characters . . . richly embroidered with historical detail."—The Cincinnati Post, on Drums of Autumn "A grand adventure written on a canvas that probes the heart, weighs the soul and measures the human spirit across [centuries]."—CNN, on The Fiery Cross "The large scope of the novel allows Gabaldon to do what she does best, paint in exquisite detail the lives of her characters."—Booklist, on A Breath of Snow and Ashes "Features all the passion and swashbuckling that fans of this historical fantasy series have come to expect."—People, on Written in My Own Heart's Blood

The World in Half Cristina Henriquez 2009-04-02 The "beautiful" (Chicago Sun-Times) novel from the prizewinning author of Come Together, Fall Apart. Miraflores never knew her father, and never thought he wanted to know her. But when she returns to the Chicago suburb where she grew up to care for her ailing mother, she discovers that her mother and father were greatly in love, and that her father had wanted a daughter more than she could have imagined. Now, Miraflores secretly plots a trip to Panama, in search of the man she hopes can heal her mother-and who can help her find the pieces of her own identity. What she finds is unexpected, exhilarating, and holds the power to change the course of her life.

Pwa90 Piers E. T. Al COLEMAN 2015-12-21 "In a remarkable career spanning more than six decades, Philip W. Anderson has made many fundamental contributions to physics. As codified in his oft-quoted phrase "More is Different", Anderson has been the most forceful and persuasive proponent of the radical, but now ubiquitous, viewpoint of emergent phenomena: truly fundamental concepts that can and do emerge from studies of Nature at each layer of complexity or energy scale.

Anderson's ideas have also extended deeply into other areas of physics, including the Anderson-Higgs mechanism and the dynamics of pulsars. PWA90: A Lifetime of Emergence is a volume of original scientific essays and personal reminiscences of Philip W Anderson by experts in the field, that were presented as part of "PWA90: Emergent Frontiers of Condensed Matter" meeting held at Princeton in December 2013 to highlight Anderson's contributions to physics"--

Overcoming School Refusal Joanne Garfi 2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

Biologic Markers in Reproductive Toxicology National Research Council 1989-02-01 Does exposure to environmental toxicants inhibit our ability to have healthy children who develop normally? Biologic markers—indicators that can tell us when environmental factors have caused a change at the cellular or biochemical level that might affect reproductive ability—are a promising tool for research aimed at answering that important question. Biologic Markers in Reproductive Toxicology examines the potential of these markers in environmental health studies; clarifies definitions, underlying concepts, and possible applications; and shows the benefits to be gained from their use in reproductive and neurodevelopmental research.

Fantasmagoriana (Tales of the Dead) A.J. Day 2008-07 It was on a 'dark and stormy night', during the summer of 1816 that an eccentric group of English literati gathered at the Villa Diodati. The atmosphere at the Villa was charged by the violent streaks of lightning that licked at the mountain tops and split a black sky. As the wind outside whipped up the surface of lake Lemman into a cauldron of waves the occupants of the Villa; Lord Byron, Mary Shelley, Dr John Polidori, Percy Shelley and Claire Clairmont, whipped themselves into a gothic frenzy with recitals of haunting poetry and ghost stories. The stories that they read came from a book, originally written in German, that had recently been translated into French. The book that they read from was called *Fantasmagoriana*. *Fantasmagoriana* has a unique place in literary history. This is the first full translation of the stories that inspired Mary Shelley's *Frankenstein* and Dr John Polidori's *The Vampyre*.

Better When He's Bad Jay Crownover 2014-06-17 New York Times and USA Today bestselling author Jay Crownover returns with a heart-stopping new series...

Welcome to the Point. There's a difference between a bad boy and a boy who's bad . . . meet Shane Baxter. Sexy, dark, and dangerous, Bax isn't just from the wrong side of the tracks, he is the wrong side of the tracks. A criminal, a thug, and a brawler, he's the master of bad choices, until one such choice landed him in prison for five years. Now Bax is out and looking for answers, and he doesn't care what he has to do or who he has to hurt to get them. But there's a new player in the game, and she's much too innocent, much too soft...and standing directly in his way. Dovie Pryce knows all about living a hard life and the tough choices that come with it. She's always tried to be good, tried to help others, and tried not to let the darkness pull her down. But the streets are fighting back, things have gone from bad to worse, and the only person who can help her is the scariest, sexiest, most complicated ex-con The Point has ever produced. Bax terrifies her, awakening feelings she never thought she'd have for a guy like him. But it doesn't take Dovie long to realize . . . some boys are just better when they're bad.

Andreas e Zoya. Il fiore di pietra Francesca Cani 2018-03-14 Anno Domini 1112. Zoya è convinta che non troverà mai l'amore a causa delle cicatrici che le attraversano il viso come graffi di una fiera. La sua vita è cambiata undici anni prima, quando era ancora una ragazzina innamorata, ma ora è una donna e sa cosa desidera: ricominciare a vivere in un luogo lontano dal passato. Per questo parte per la rocca di Rostock, dove spera di liberarsi dei pensieri che le avvogliono la mente e il cuore... Il castello sul fiordo di Rostock è stato assegnato a uno spietato guerriero, arrogante e violento, che tutti chiamano Der Bär, l'Orso, ma il cui vero nome è Andreas. Proprio in lui Zoya riconosce il suo amico di infanzia e primo segreto amore, tornato dall'Oriente dopo aver affrontato e superato terribili prove. Lei è stata la sola donna che abbia mai toccato lo spirito di Andreas prima che si trasformasse in roccia. L'amore tra i due riemerge con forza, ma a separarli c'è un abisso di segreti che solo il sentimento più potente può colmare. L'Impero vacilla, la corona è contesa, Enrico V e il duca Lotario si affrontano in sanguinosi conflitti... Amore o guerra? La scelta spetta a un cuore di pietra.

The Distribution of Prime Numbers Dimitris Koukoulopoulos 2020-07-28 Prime numbers have fascinated mathematicians since the time of Euclid. This book presents some of our best tools to capture the properties of these fundamental objects, beginning with the most basic notions of asymptotic estimates and arriving at the forefront of mathematical research. Detailed proofs of the recent spectacular advances on small and large gaps between primes are made accessible for the first time in textbook form. Some other highlights include an introduction to probabilistic methods, a detailed study of sieves, and elements of the theory of pretentious multiplicative functions leading to a proof of Linnik's theorem. Throughout, the emphasis has been placed on explaining the main ideas rather than the most general results available. As a result, several methods are presented in terms of concrete examples that simplify technical details, and theorems are stated in a form that facilitates the understanding of their proof at the cost of sacrificing some generality. Each chapter concludes with numerous exercises of various levels of difficulty aimed to exemplify the material, as well as to expose the readers to more advanced topics and point them to further reading sources.

Together at Midnight Jennifer Castle 2018-01-02 Combining the emotional deftness of Sarah Dessen with the magical spark of New York City in wintertime, this affecting novel will inspire readers to pay closer attention to the world around them. What does it really mean to be kind . . . and why does it sometimes feel like the hardest thing in the world to do? High school senior Kendall, who just returned from a life-changing semester in Europe, and Max, who is drifting his way through a

gap year before college, struggle with these questions when they witness a tragic accident in New York City during the holiday season. Racked with guilt, the two accept a dare to perform random acts of kindness to strangers. The challenge pulls these two teens, who have a history together from back home, closer and closer as they explore a vibrant city filled with other people's stories and secrets. Kendall and Max can't deny their growing bond, even though they both have other romantic entanglements and uncertain futures. As the clock counts down on New Year's Eve, will they find themselves together at midnight? Jennifer Castle's latest novel is a romantic, thought-provoking tale of human connection and how we find—and make—our place in the world.
