The Bondi to Manly Walk Tara Wells 2021-09-01 The Bondi to Manly Walk is the definitive guide to Sydney's stunning coastline. A spectacular 80-kilometre track – Sydney's best multi-day walk – connects the iconic beaches of Bondi and Manly, and will have you winding through secluded bays, protected bushland and the glittering harbour city along the way. A must-have for visitors, the guidebook will equally surprise and delight the most familiar Sydneysiders, combining fascinating local and natural histories with clear instructions. Covering every bay, beach and headland between Bondi and Manly, day walkers can also choose from 12 highlighted short walks, including: ? Bronte to Bondi ? The Rocks and Sydney Harbour Bridge ? Hermitage Foreshore Walk near Rose Bay ? South Head at Watsons Bay ? The Spit to Manly Walk ? Manly's North

Head Easy-to-use, The Bondi to Manly Walk contains track notes and maps for casual day walkers and multi-day hikers. With accommodation and detailed itineraries for those wanting the challenge of inn-to-inn style hiking, as well as notes for families and dog walkers, it truly has something for everyone. 'Tara doesn't just talk the talk – she walks one of the world's most beautiful walks.' – Adam Spencer 'If you've ever – or never – experienced the astonishing Sydney coastline, you need this book. Tara Wells has captured everything you need to know to immerse yourself in the breathtaking beauty of Sydney's coastal trails, whether it's for a quick dip into the sparkling waters that grace its shores or the full monty, walking 80 km from Bondi to Manly. From its rich history, to what to carry, where to dine and sleep or how not to get lost, she's covered it all, with passion and flair. I love this book, and so will you.' – Di Westaway OAM, founder of Wild Women On Top

London's Hidden Rivers David Fathers 2017-05-04 London has many rivers, but they are often hidden under centuries of development. Rivers like the Walbrook, the Fleet or the Westbourne have left their mark on the city, and still form an important part of our subterranean world. David Fathers traces the courses of London's Hidden Rivers in a series of detailed guided walks, illustrating the traces they have left and showing the ways they have shaped the city.

[Singapore: World City Kim Inglis 2014-02-18](#) With stunning photographs and insightful commentary this travel pictorial and Singapore travel guide captures the dynamism of a remarkable Pacific nation. In just a few short decades, Singapore has transformed itself from a tiny island off the coast of mainland Asia into a global superpower in banking, IT, education, biotech, transportation and many other fields. The fascinating story of how this tiny city-state which has no hinterland, no natural resources, and a relatively small population has achieved success is told in this book. Singapore's history as a British colonial port, its dynamic multi-ethnic population, and its innovative governmental and social structures, are a part of the story. But there are others as well. How Singapore became a regional hub for finance, shipping and air travel, and now also for the arts, sport and leisure—are all showcased in dynamic detail, with over 300 full-color photographs

to illustrate graphically how this small island functions like a well-tuned racing machine. Author Kim Inglis, a journalist and long-time local resident, leads the reader on a series of explorations through Singapore's most notable districts and neighborhoods, explaining the growth and importance, and showcasing what they have to offer the visitor. Included are many lesser-known corners of the island which very few visitors ever get to see!
