Manners Time Elizabeth Verdick 2009-08-01 Manners start with a smile—then you add the words. There are polite words to use when you greet someone, ask for something, or (oops!) make a mistake. There's even a nice way to say no. This book gives toddlers a head start on manners, setting the stage for social skills that will last a lifetime. Includes tips for parents and caregivers.

The Roller Coaster Ride David Broadbent 2021-03 Vincent and Grandma are off to visit the amusement park at the beach. They spend the bus journey talking about the wonderful rides there. Vincent can't wait to ride on the big roller coaster! But when they arrive at the beach, his hopes are dashed. Will Grandma be able to save the day? -- Back cover.

Try-Again Time Elizabeth Verdick 2021-05 Young children learn that they get lots of chances to try again every day.

Messy Time Elizabeth Verdick 2022-03-08 Messy play is growing time—with lots of chances to have unstructured and sensory-rich play all day long. “Hello, dough! Squish Squash Squeeze.” Little ones build their gross- and fine-motor skills through play, touch, and—yes—making a big mess. With its bouncy, friendly approach, Messy Time encourages creativity, growth mindset, and messy play throughout the day, indoors and outdoors. “Welcome, rain! Splish Splash Dash.” The newest addition to the popular Toddler Tools® series, Messy Time, shows joyful, messy play in different environments: with art materials; with mud, sand, and water; in the kitchen; in the garden; in the bathtub. Messy time is growing time, and messy play provides rich sensory experiences and unstructured play. At the back of the book, a section for parents and caregivers has tips for making the most of messy play, including clean-up time. Toddler Tools® Series Daily transitions and routines can be a challenge for any toddler, as well as parents and caregivers. These award-winning, positive books can help ease the many trying “times” that are a part of every toddler's day. Share them before (or during) the desired “time,” or whenever toddlers need encouragement with routines. Select titles are available in English-Spanish bilingual editions.

Economy and State Nina Bandelj 2013-05-08 Should governments be involved in economic affairs? Challenging prevailing wisdom about the benefits of self-regulating markets, Nina Bandelj and Elizabeth Sowers offer a uniquely sociological perspective to emphasize that states can never be divorced from economy. From defining property rights and regulating commodification of labor to setting corporate governance standards and international exchange rules, the state continuously manages the functioning of markets and influences economic outcomes for individuals, firms and nations. The authors bring together classical interventions and cutting-edge contemporary research in economic sociology to discuss six broad areas of economy/state connection: property, money, labor, firms, national economic growth, and global economic exchange. A wealth of empirical examples and illustrations reveals that even if the nature of state influence on economy varies across contexts, it is always dependent on social forces. This accessible and engaging book will be essential reading for upper-level students of economic sociology, and those interested in the major economic dilemmas of our times. .

Clean-Up Time! 2020-12-08 A new generation of children love Daniel Tiger's Neighborhood, inspired by the classic series Mister Rogers' Neighborhood! Daniel learns how to clean up and recycle in this Pre-Level 1 Ready-to-Read based on an episode from the hit PBS show, Daniel Tiger's Neighborhood! A windstorm has made a mess of the neighborhood playground and no one can play. Everyone helps by throwing away and recycling the trash. The children learn that they can all work together to keep their neighborhood clean! © 2020 The Fred Rogers Company

Clean Up Time Pam Holden 2006 Does your classroom get messy sometimes? Everybody must help when it is time to clean up. What things do you put away to make your room clean? What do you do after you have cleaned up?

The Bad Easter Bunny Isabel Atherton 2013-02-01 Every spring the Easter Bunny frolics through every neighbourhood in every city to hand out candy and toys to children. The problem is he feels a total lack of gratitude from them. He's getting sadder and sadder, and in turn his once bright-pink fur has gone a depressing shade of blue. His fur really does reflect how he is feeling inside. When a group of highly excitable children knock him to the ground, he sees all of the colors of the rainbow and settles on a hopping red color. The Easter Bunny is furious! He's tired of being taken for granted and has decided to become the Bad Easter Bunny. He sets about smashing toys, eating all the candy, and making a big mess of the neighborhood. But a simple "thank you" from one little girl on a scooter makes the Bad Easter Bunny regret his actions. A small hug and sharing a piece of candy makes the Easter Bunny turn a happy pink, and he promises to be bad no more. In this fun and quirky children's book, Stéphanie Röhr's magical illustrations show how one good bunny turned very bad--and how important gratitude can be.

Clean-Up Time Rosemary Wells 2009-10-15 Before Max and Ruby were preschoolers, they were Baby Max and Ruby. The popular bunny siblings are back in another board books as their baby selves. In Clean-Up Time, Max and Ruby work together to put away their toys. With eye-catching novelty elements, these irresistible board books will introduce the very youngest readers to the beloved bunny pair, who star in their own show on Nick Jr. and Noggin.

The Big Beach Cleanup Charlotte Offsay 2021-03-23 Cora is excited to enter the local sandcastle-building contest—until the contest is canceled due to litter at the beach. Determined to help save their favorite place, Cora and Mama get to work picking up the single-use plastics that have washed onto the shore. It will take more than four hands to clean up the beach, but Cora is just getting started.

Look Up! Nathan Bryon 2019-06-13 3 ... 2 ... 1 ... LIFT OFF. Let science-mad chatterbox Rocket launch into your hearts in this inspiring picture book from two incredible debut talents. Rocket's going to be the greatest astronaut, star-catcher, space-traveller that has ever lived! But... First, she needs to convince her big brother Jamal to stop looking down at his phone and start LOOKING UP at the stars. ---- Bursting with energy and passion about space and the natural world, this heart-warming picture book will reignite your desire to turn off those screens and switch on to the outside world.

3 Day Potty Training Lora Jensen 2014-03-04 3 Day Potty Training is a fun and easy-to-follow guide for potty training even the most stubborn child just 3 days. Not just for pee and poop but for day and night too!

Lora's method is all about training the child to learn their own body signs. If the parent is having to do all the work, then the child isn't truly trained, but with Lora's method your child will learn when their body is telling them that they need to use the potty and they will communicate that need to you.

Listening Time Elizabeth Verdick 2008-11-15 "Put away the wiggles. Put away the giggles. Listening works better when your body's calm and still." When it's time for young children to listen closely, this book sets the tone. They discover that it's important to open their eyes and ears but to close their mouths ("zip it, lock it, put it in your pocket") so good listening can begin. An award-winning author/illustrator team offers a fresh look at the times and transitions all toddlers face daily, giving young children the tools to handle routines with confidence and cooperation. Part of the Toddler Tools series, Listening Time can be shared before (or during) the desired "time," or whenever toddlers need encouragement with routines. Includes tips for parents and caregivers.

India Today Stuart Corbridge 2013-04-03 Twenty years ago India was still generally thought of as an archetypal developing country, home to the largest number of poor people of any country in the world, and beset by problems of low economic growth, casteism and violent religious conflict. Now India is being feted as an economic power-house which might well become the second largest economy in the world before the middle of this century. Its democratic traditions, moreover, remain broadly intact. How and why has this historic transformation come about? And what are its implications for the people of India, for Indian society and politics? These are the big questions addressed in this book by three scholars who have lived and researched in different parts of India during the period of this great transformation. Each of the 13 chapters seeks to answer a particular question: When and why did India take off? How did a weak state promote audacious reform? Is government in India becoming more responsive (and to whom)? Does India have a civil society? Does caste still matter? Why is India threatened by a Maoist insurgency? In addressing these and other pressing questions, the authors take full account of vibrant new scholarship that has emerged over the past decade or so, both from Indian writers and India specialists, and from social scientists who have studied India in a comparative context. India Today is a comprehensive and compelling text for students of South Asia, political economy, development and comparative politics as well as anyone interested in the future of the world's largest democracy.

No Bad Kids: Toddler Discipline Without Shame Janet Lansbury 2013-12-31 Janet Lansbury is unique among parenting experts. As a RIE teacher and student of pioneering child specialist Magda Gerber, her advice is not based solely on formal studies and the research of others, but also on her twenty years of hands-on experience guiding hundreds of parents and their toddlers. "No Bad Kids" is a collection of Janet's most popular and widely read articles pertaining to common toddler behaviors and how respectful parenting practices can be applied to benefit both parents and children. It covers such common topics as punishment, cooperation, boundaries, testing, tantrums, hitting, and more. "No Bad Kids" provides a practical, indispensable tool for parents who are anticipating or experiencing those critical years when toddlers are developmentally obliged to test the limits of our patience and love. Armed with knowledge and a clearer sense of the world through our children's eyes, this period of uncertainty can afford a myriad of opportunities to forge unbreakable bonds of trust and respect.

Let's Clean Up! Chris Ferrie 2020-08-04 Equip the next generation of scientists with a brand new series from Chris Ferrie, the #1 science author for kids! Why is it so hard for Red Kangaroo to keep her room clean? According to Dr. Chris, the answer is as easy as counting! Come along with Red Kangaroo to learn about entropy, thermodynamics, and the statistical physics at play in her messy room! Chris Ferrie offers a kid-friendly introduction to statistical physics in this installment of his new Everyday Science Academy series. With real-world and practical examples, young readers will have a firm grasp of scientific and mathematical concepts to help answer many of their "why" questions. Perfect for elementary-aged children and supports the Common Core Learning Standards, Next Generation Science Standards, and the Science, Technology, Engineering, and Math (STEM) standards. Backmatter includes a glossary, comprehension questions aligned with Bloom's Taxonomy, and experiments kids can easily do at school or at home!

Elliot Julie Pearson 2022-02 Elliot's parents do not know how to take care of him. As Elliot moves from one foster home to another, his visits with his birth parents leave him anxious and conflicted about where he wants to be. At last he finds stability with a new adoptive family.

Tools of the Mind Elena Bodrova 2007 This text is designed for advanced Curriculum, Methods, and Issues courses in Early Childhood Education and Child and Family Studies departments. As the only text of its kind, this book provides in-depth information about Vygotsky's theories, neo-Vygotskians' findings, and concrete explanations and strategies that instruct teachers how to influence student learning and development. Key changes to this edition include a new chapter on dynamic assessment, separate and expanded chapters on developmental accomplishments of infants and toddlers, preschool/kindergarten, and primary grades and o.

Sharing Time Elizabeth Verdick 2009-08-01 Sometimes it's fun to share, and sometimes it's hard. This book offers toddlers simple choices (take turns, use the toy together, wait for another time) to make sharing easier, and shows them where to turn for help when sharing is difficult. Little ones learn that sharing can mean double the fun—and sharing a while can make someone smile! Includes tips for parents and caregivers.

Clean-Up Time Elizabeth Verdick 2008-08-10 An award-winning author/illustrator team offers a fresh look at the times and transitions all toddlers face daily, giving young children the tools to handle routines with confidence and cooperation. Toddlers will look forward to clean-up time with this simple rhyming book that encourages them to chant along as they tidy up. Young children learn to work together to put items in their place, make a neater space, keep a smile on their face—and make room for more fun. Delightful illustrations enhance the text. Part of the Toddler Tools series, Clean-Up Time can be shared before (or during) the desired "time," or whenever toddlers need encouragement with routines. Includes tips for parents and caregivers.

Tidy Up! Gwyneth Swain 2006 All over the world children tidy up. Using photographs and text this picture book gives pre-school children a glimpse of the ways people's lives are the same and different the world over.

Cleaning Up Cecilia Minden 2008-01-01 Herbie Bear loves to draw, but doesn't like to clean up. Using his imagination helps to get him through the task.

Calm-Down Time Elizabeth Verdick 2010-05-01 Every parent, caregiver—and toddler—knows the misery that comes with meltdowns and temper tantrums. Through rhythmic text and warm illustrations, this gentle, reassuring book offers toddlers simple tools to release strong feelings, express them, and calm themselves down. Children learn to use their calm-down place—a quiet space where they can cry, ask for a hug, sing to themselves, be rocked in a grown-up's arms, talk about feelings, and breathe: "One, two, three . . . I'm calm as can be. I'm taking care of me." After a break, toddlers will feel like new—and adults will, too. Books include tips for parents and caregivers.

Fair Play Eve Rodsky 2019-10-01 NEW YORK TIMES BESTSELLER "A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with" - Reese Witherspoon Do you find yourself taking on the lion's share of all the thankless, invisible but time-consuming work in the home? FAIR PLAY is the first book that shows you that there can be a different way: a way to get more done, with less fuss, in a way that feels more balanced. Eve Rodsky is changing society one relationship at a time, by coming up with a 21st-century solution to an age-old problem: women shouldering the brunt of domestic responsibilities, the mental load, the emotional labour. Everything that is required to keep the fridge full, the children's homework in their bags, and the household running. The unequal division of all this invisible work in relationships is a recipe for disaster, but no one has offered a real solution to this dilemma, until now. Eve Rodsky was tired of always being the one who has to remember to buy loo roll, or to book the

family's dentist appointments, or to send the thank you cards - all while working full time. So Eve decided to do what she does every day as an organisational management consultant: Organise. She conducted original research with more than 500 couples to figure out WHAT the invisible work in a family actually is and HOW to get it done effectively and all in a way that makes relationships even stronger. FAIR PLAY identifies the 100 main tasks in any relationship, and then divides those tasks fairly (not necessarily equally) so that both parties contribute their fair share. If we don't learn to rebalance our home life and reclaim some time to develop the skills and passions that keep us unique, then we risk losing our right to be interesting, not just to our partner, but to ourselves. Getting this right isn't a luxury, it's a necessity for a happy, lasting partnership. Part how-to guide for couples, part modern relationship manifesto, FAIR PLAY offers an innovative system with a completely original lexicon to discuss how relationships actually work ... and how we can make them work better.

Bedtime Elizabeth Verdick 2010-05-01 Ease little ones into the get-ready-for-bed routine with this warm and cozy bedtime book. Aided by Mom and Dad, a sister and brother enjoy a little snack, relaxing baths, time for brushing teeth, stories, lullabies, back rubs, and hugs. Cheerful, soft illustrations and reassuring text set a tone that helps toddlers feel good about settling down to sleep. (As the narrator explains, "I do my best growing when I'm sleeping.") In the morning, the children will yawn, stretch, and be a little bit bigger, a little bit stronger, and a little bit smarter—all because of a good night's sleep. Includes tips for parents and caregivers.

Mealtime Elizabeth Verdick 2011-04-01 Mealtime—"Yummy-in-the-tummy time"—is an opportunity to teach young children two major life skills: nutrition and table manners. Simple but important mealtime routines come to life as the toddlers in this book remember to wash their hands, use a napkin and fork or spoon, stay at the table, and eat healthy foods. Toddlers also learn the one big rule for mealtime: Always try one bite ("You just might like it!"). Parents and caregivers want toddlers to develop healthy eating habits and positive mealtime routines. This book helps them do so with Verdick's keen ability to speak directly to little ones and Heinlen's delightful, appealing illustrations. Includes tips for parents and caregivers. Part of the award-winning Toddler Tools series.

Germs Are Not for Sharing Elizabeth Verdick 2006-01-15 Sneezes, coughs, runny noses, spills, and messes are facts of everyday life with children. And that's why it's never too soon to teach little ones about germs and ways to stay clean and healthy. This book is a short course for kids on what germs are, what they do, and why it's so important to cover them up, block them from spreading, and wash them down the drain. Simple words complement warm, inviting, full-color illustrations that show real-life situations kids can relate to. A special section for adults includes ideas for discussion and activities.

Tool School Joan Holub 2017-07-25 Get ready young builders to twist and turn with laughter! Join a hammer, screwdriver, tape measure, saw, and pair of pliers on their first day of school. Together, they make puzzles and play games, but when it's time to build something it's suddenly every tool for itself. Working alone, each tool soon realizes that to make something great all need to cooperate! Young children will love the irresistible bold artwork and fun rhyming text as they learn that a little teamwork can make a big difference. Tool School introduces some of the most basic household tools, and cool tips explain how to successfully use them with the help of a grown-up!

Naptime Elizabeth Verdick 2008-11-15 Naps are just a little break—but when it's naptime, many toddlers have trouble settling into sleep. This calming, encouraging book helps young children quiet down so they can get the rest they need. Eyes are closed, lights are dimmed...and (yawn, s-t-r-e-t-c-h) before little ones know it, it's time to wake up. Cozy illustrations enhance the text. An award-winning author/illustrator team offers a fresh look at the times and transitions all toddlers face daily, giving young children the tools to handle routines with confidence and cooperation. Part of the Toddler Tools series, Naptime can be shared before (or during) the desired "time," or whenever toddlers need encouragement with routines. Includes tips for parents and caregivers.

Go Wash Up Amanda Doering Tourville 2019-05-01 Keeping your body clean helps you stay healthy. Wash your hands, comb your hair, and wear clean clothes. What are some other ways to keep clean? Listed as a Common Core State Standards exemplar text on a topic across grades.

Clean Up, Up, Up! Ellen Mayer 2018-09-14 It is cleanup time, and Daddy and his little one are putting away books, blocks, teddy bears, and train cars, washing hands, and preparing for dinner--all while having fun with math! As Daddy talks with his toddler, he uses spatial-relationship math words and phrases like up, down, inside, outside, next to, and under to reinforce his young learner's understanding. When it is dinnertime, the little one proudly demonstrates an understanding of down when helping to set the table and up while enjoying the first delicious bite! A playful story that models engaging conversations between parent and child, **Clean Up, Up, Up!** includes a note by early childhood education expert Susan C. Levine that shows parents and caregivers how everyday activities offer rich opportunities to teach early spatial math concepts. This book is based on work supported in part by TERC under a grant from the Heising-Simons Foundation.

Bouncy Mouse Barbara deRubertis 2021-10-19 Let's Read Together books merge rhyme and vowel sounds in delightfully zany stories kids will want to read again and again. Each of the 15 books in this classic series by award-winning author/educator Barbara deRubertis will give your child a jumpstart on reading success. "Story lines are silly and inventive, and recall Dr. Seuss's *Cat in the Hat* for the building of rhythm and rhyming words." —School Library Journal **Bouncy Mouse** bothers his Dad, until his noisy musical antics lead to stardom! (This easy-to-read story features the "oi" and "ou" vowel combinations.)

Cleaning Up the Earth Precious McKenzie 2013-03-01 Young readers explore various forms of pollution and how people are cleaning up the environment.

Messy Time Elizabeth Verdick 2022 "Adults sometimes find messiness to be stressful, but for toddlers, messy time is growing time. This book features young children and adults getting messy while participating in different types of activities, indoors and out, in a relaxed way"--

Elevating Child Care: A Guide to Respectful Parenting Janet Lansbury 2014-05-01 Janet Lansbury's advice on respectful parenting is quoted and shared by millions of readers worldwide. Inspired by the pioneering parenting philosophy of her friend and mentor, Magda Gerber, Janet's influential voice encourages parents and child care professionals to perceive babies as unique, capable human beings with natural abilities to learn without being taught; to develop motor and cognitive skills; communicate; face age appropriate struggles; initiate and direct independent play for extended periods; and much more. Once we are able to view our children in this light, even the most common daily parenting experiences become stimulating opportunities to learn, discover, and to connect with our child. "Elevating Child Care" is a collection of 30 popular and widely read articles from Janet's website that focus on some of the most common infant/toddler issues: eating, sleeping, diaper changes, communication, separation, focus and attention span, creativity, boundaries, and more. Eschewing the quick-fix 'tips and tricks' of popular parenting culture, Janet's insightful philosophy lays the foundation for a closer, more fulfilling parent/child relationship, and children who grow up to be authentic, confident, successful adults.

How We Clean Up a Park Robin Nelson 2017-08-01 Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! How do you organize a big project? See how these kids plan to clean up a park.

Bye-Bye Time Elizabeth Verdick 2008-08-10 An award-winning author/illustrator team offers a fresh look at the times and transitions all toddlers face daily, giving young children the tools to handle routines with confidence and cooperation. Being dropped off at childcare or cared for by a baby-sitter means saying good-bye to Mom or Dad—and for many toddlers, bye-bye is a big deal. This gentle book helps ease the transition with simple rituals: hugs and kisses, a big wave, a deep breath, and the confidence to seek comfort with the new caregiver or other children. Toddlers learn that good-bye isn't forever, it's just for a while.

Part of the Toddler Tools series, Bye-Bye Time can be shared before (or during) the desired "time," or whenever toddlers need encouragement with routines. Includes tips for parents and caregivers.

Pinocchio, the Tale of a Puppet Carlo Collodi 2011-02 Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

If I Have to Tell You One More Time... Amy McCreedy 2011-08-04 The Revolutionary Program That Gets Your Kids To Listen Without Nagging, Reminding, or Yelling Why does it feel sometimes as if our children have special powers that enable them to tune us out completely? You ask your child to do her homework, get ready for school or bedtime. You think she heard you but . . . no response. You've tried everything—time-outs, nagging, counting to three—and nothing seems to work. In this invaluable book, Amy McCreedy, founder of the popular online parenting course Positive Parenting Solutions, presents a nag-and-scream-free program for compassionately yet effectively, correcting your children's bad behavior. McCreedy draws on Adlerian psychology and Positive Discipline, which focuses on the central idea that every human being has a basic need to feel connected and empowered—children being no exception to the rule. According to McCreedy, when this need isn't met in positive ways, kids resort to negative methods. In this book she provides parents with a virtual toolbox of strategies they can use to give their children the attention and power they crave—and do away with the misbehaving that adults dread.

Teaching Children to Clean Schar Ward 2017-03-03 This book contains step-by-step instructions for teaching children and teenagers to clean an entire house.
