History of the Jews in America Shelley Kapnek Rosenberg 2005-04-29 The concluding book in the three-volume Challenge and Change series grapples with issues that confront the American Jewish community today, including Jews in politics, the spirituality movement, and the changing

role of women in Jewish religious life. As students examine the lives and deeds of American Jews from World War One (1914) to today, they are invited to consider the effect their own lives will have on the future of American Jewry.

Philosophy and Ethics Jon Mayled 2003-08-08 This is the foundation edition of the bestselling textbook which covers one of the most popular areas of study for RS GCSE. It provides an accessible approach to the course for lower ability students and is also an ideal resource for those taking the short course option.

Mitzvot Ethics and the Jewish Bible Gershom M. H. Ratheiser 2007-03-01 Ratheiser's study provides the framework for a non-confessional, mitzvot ethics-centered and historical-philological approach to the Jewish bible and deals with the basic steps of an alternative paradigmatic perspective on the biblical text. The author seeks to demonstrate the ineptness of confessional and ahistorical approaches to the Jewish bible. Based on his observations and his survey of the history of interpretation of the Jewish bible, Ratheiser introduces an alternative hermeneutical-exegetical approach to the Jewish bible: the paradigm of examples. His study concludes that the biblical text is a collection of writings designed and formed from a specifically ethical-ethnic outlook. In other words, he regards the Jewish bible to be written as an etiology of ancient instruction by ancient Jews to Jews and for Jews. As such, it serves as a religious-ethical identity marker that provides ancient Jews and their descendants with an etiology of Jewish life. Ratheiser regards this religious-ethical agenda to have been the driving force in the minds of the final editors/compilers of the biblical text as we have it today.

Religious Studies (World Religions). Yitzchok Sliw 2011

The Oxford Dictionary of the Jewish Religion Adele Berlin 2011 The Oxford Dictionary of the Jewish Religion has been the go-to resource for students, scholars, and researchers in Judaic Studies since its 1997 publication. The Dictionary covers more than three millennia of Jewish religious thought, custom, law, and practice, from traditional approaches to Reform, Conservative, Reconstructionist, and post-denominational Judaism. The new edition includes recent and changing rituals in the Jewish community, such as the growing trend of baby-naming ceremonies and the founding of gay/lesbian synagogues.

What is Religion? Robert George Crawford 2002 What is Religion? serves not only as an introduction to the different belief systems flourishing throughout the modern world, but asks us to consider how the very boundaries of faith might be drawn now and in the future.

Judaism's Bible: The Book of Genesis, pt. 1 Shlomo Zalman Elazer Grafstein 1999

Religious Studies GCSE Yitzchok Sliw 2015-04-10 All the units of the Judaism 1 GCSE module are explained in this book. This book will explain to you the Core Values of Judaism, including its understanding of the nature of G-d, the concept of Messianism, beliefs about life after death and the significance of Covenant. It will introduce you to the practices of the major Jewish festivals and describe the different divisions within Judaism found in England today. Finally, it will discuss the significance of the land of Israel and the continuing relevance of the Nazi Holocaust to Jewish life. In short, everything you need to know about the GCSE syllabus is here for you. Rabbi Yitzchok Sliw has been an outstanding Jewish Studies teacher at Hasmonian High School since 1993 and Subject Leader for Religious Studies since 1997. Teachers from all parts of England have sought Rabbi Sliw's advice and particularly his notes on Religious Studies. His students' marks rank consistently with the highest in the country. The notes used to attain these marks form the basis of this book. Yitzchok Sliw was born in Leeds in 1952 and attained Rabbinic Ordination in Israel in 1981. Upon returning to this country he achieved a B.A. (Hon) and M.A. in Hebrew and Jewish Studies. He has also taught in Liverpool besides being involved in numerous educational programmes in London. He is married with three children, all married with children of their own, and lives with his wife in Edgware, Middlesex. By the same author: OCR Religious Studies: Jewish Scriptures AS OCR Religious Studies: Judaism 2 GCSE

After World Religions Christopher R Cotter 2016-02-05 The World Religions Paradigm has been the subject of critique and controversy in Religious Studies for many years. After World Religions provides a rationale for overhauling the World Religions curriculum, as well as a roadmap for doing so. The volume offers concise and practical introductions to cutting-edge Religious Studies method and theory, introducing a wide range of pedagogical situations and innovative solutions. An international team of scholars addresses the challenges presented in their different departmental, institutional, and geographical contexts. Instructors developing syllabi will find supplementary reading lists and specific suggestions to help guide their teaching. Students at all levels will find the book an invaluable entry point into an area of ongoing scholarly debate.

The Cape Town Commitment: A Confession of Faith, A Call to Action Darrell L. Bock 2013-06-14 The Cape Town Commitment, which arose from The Third Lausanne Congress on World Evangelization (Cape Town, 2010), stands in the historic line of The Lausanne Covenant (1974) and The Manila Manifesto (1989). It has been translated into twenty-five languages and has commanded wide acceptance around the world. The Commitment is set in two parts. Part 1 is a Confession of Faith, crafted in the language of covenantal love. Part 2 is a Call to Action. The local church, mission agencies, special-interest groups, and Christians in the professions are all urged to find their place in its outworking. This annotated bibliography of The Cape Town Commitment, arranged by topic, has been compiled by specialists in a range of fields. As such, it is the first bibliography of its kind. - Arranged in sections for graduate-level teaching - Equally useful for research students

A History of the Mishnaic Law of Women, Part 1 Jacob Neusner 2007-04-01

Judaism Arye Forta 1995 Now revised in line with the new GCSE criteria and revised syllabuses for Religious Studies, an introduction to basic Jewish beliefs and traditions, the Jewish year, Judaism in the home, and how Judaism affects everyday life. From the EXAMINING RELIGIONS series.

Religion L. M. Barley 2014-06-28 This volume reviews the publicly available sources of statistical information on religion. The majority of this data relates to the Christian churches and is split between the serial or recurrent sources in the first review and the ad hoc survey data in the second. The third sets out the available Jewish data which comprise the best recorded and the most extensive of the sources in the non-Christian sector, and the final review brings together statistical sources on the remaining religions practised in the UK. This book will be an invaluable source of information for researchers and practitioners in the field.

American Jewish Women's History Pamela S. Nadell 2003-04-05 "Our schools suck." This is how many young people of color call attention to the kind of public education they are receiving. In cities across the nation, many students are trapped in under-funded, mismanaged and unsafe schools. Yet, a number of scholars and of public figures like Bill Cosby have shifted attention away from the persistence of school segregation to lambaste the values of young people themselves. Our Schools Suck forcefully challenges this assertion by giving voice to the compelling stories of African American and Latino students who attend under-resourced inner-city schools, where guidance counselors and AP classes are limited and security guards and metal detectors are plentiful—and grow disheartened by a public conversation that continually casts them as the problem with urban schools. By showing that young people are deeply committed to education but often critical of the kind of education they are receiving, this book highlights the dishonesty of public claims that they do not value education. Ultimately, these powerful student voices remind us of the ways we have shirked our public responsibility to create excellent schools. True school reform requires no less than a new civil rights movement, where adults join with young people to ensure an equal education for each and every student.

The Return Movement of Jews to Austria after the Second World War F. Wilder-Okladek 2012-12-06 The saga of Jewish flight, suffering and death has been investigated from different points of view, and various aspects of this sad chapter of Jewish history have been carefully studied. There is, however, one aspect which has had little attention from Jewish sociologists; perhaps because it is an anticlimax to heroism and monumental suffering; even more, because the whole group imbues a feeling of discomfort, an aftermath that should not have been, a chapter that had better not been written ... "Historically, this group has survived its own past; but humans do not experience their own life as history ... "1 This group is but a very small remnant: those who returned to the very" doomed soil" the very countries in which all the worst atrocities against European Judaism originated. Usually, they do not come back with an easy heart, they experience the anger and sadness of fellow-Jews who condemn them. They also feel their own guilt - yet they return ... How many of them there are is impossible to calculate. Not only were post-war records faulty; but Jewish organisations differed with others and in their own records in the definition of "return" so that all comparisons can be only on the level of careful estimates at best. Lastly, in common with other return groups, there is the unknown number who never registered with those organisations keeping any type of records (e.g. Jewish organisations).

Judaism (KS3 Knowing Religion) Andy Lewis 2021-04-22 Provide students with a strong understanding of religion with high quality, engaging and content-rich resources building a firm foundation for the new GCSE 9-1 Religious Studies.

Interpreting the Gospel and Letters of John Brown, Sherri L 2017 Ideal as a basic textbook on John's writings in the Bible Accessible, comprehensive, and up-to-date, Interpreting the Gospel and Letters of John is an ideal text for students new to the discipline of biblical studies. Sherri Brown and Francis Moloney present a broad overview of the story of Christianity arising out of its Jewish foundations and proceed expertly to guide readers through the contents of the Gospel and Letters of John. Maintaining that Johannine literature is best understood against the background of the Old Testament covenant meta-phor, Brown and Moloney focus on the central role of covenant in the narrative of John's Gospel and highlight the Evangelist's use of fulfillment language. Helpful sidebars, maps, questions for review, and further reading sections are placed throughout the text, making this volume perfect for classroom use."
