The Carolina Way Dean Smith 2005-01-25 “Coach taught me the game. . . . He's like a second father to me.” —Michael Jordan “Dean Smith epitomizes what a coach can be—teacher, counselor, mentor, example, friend.” —Bill Bradley “He's a better coach of basketball than anyone else.” —John Wooden For forty years, Dean Smith coached the University of North Carolina basketball team with unsurpassed success. Now, in *The Carolina Way*, he explains his coaching philosophy and shows readers how to apply it to the leadership and team-building challenges they face in their own lives. In his wry, sensible, wise way, Coach Smith takes us through every aspect of his program, illustrating his insights with vivid stories. Accompanying each of Coach Smith's major points is a “Player Perspective” from a former North Carolina basketball star and an in-depth “Business Perspective” from Gerald D. Bell, a world-renowned leadership consultant and a professor at UNC's Kenan-Flagler Business School. The keystones of Coach Smith's coaching philosophy are widely applicable and centrally relevant to building successful teams of any kind.

Because of Mr. Terupt Rob Buyea 2010-10-12 Seven students are about to have their lives changed by one amazing teacher in this school story sequel filled with unique characters every reader can relate to. It's the start of a new year at Snow Hill School, and seven students find themselves thrown together in Mr. Terupt's fifth grade class. There's . . . Jessica, the new girl, smart and perceptive, who's having a hard time fitting in; Alexia, a bully, your friend one second, your enemy the next; Peter, class prankster and troublemaker; Luke, the brain; Danielle, who never stands up for herself; shy Anna, whose home situation makes her an outcast; and Jeffrey, who hates school. They don't have much in common, and they've never gotten along. Not until a certain new teacher arrives and helps them to find strength inside themselves—and in each other. But when Mr. Terupt suffers a terrible accident, will his students be able to remember the lessons he taught them? Or will their lives go back to the way they were before—before fifth grade and before Mr. Terupt? Find out what happens in sixth and seventh grades in *Mr. Terupt Falls Again* and *Saving Mr. Terupt*. And don't miss the conclusion to the series, *Goodbye, Mr. Terupt*, coming soon! “The characters are authentic and the short chapters are skillfully arranged to keep readers moving headlong toward the satisfying conclusion.” --School Library Journal, Starred

He Mo'olelo 'Aina Kepa Maly 2016-11-01 Haseko presents this Honouliuli study in an effort to advance the goal of educating the Honouliuli community about the land's history in order to preserve it. This book is a brief overview of a

study that incorporates a wide range of historical literature describing Honouliuli Ahupua'a that has been gathered over the last 20 years by Kepa and Onaona Maly.

I'll Never Walk Alone Carol Simonides 1984 Traces a San Diego girl's long, and finally, unsuccessful struggle against cancer and describes how she found the strength to face chemotherapy, amputation, and extensive hospitalization

The Columbia Guide to Asian American Literature Since 1945 Guiyou Huang 2006 Traces the history of Asian American literature from the end of World War II to the beginning of the twenty-first century, covering six genres and reviewing major historical developments and social movements.

It's the Coach's Fault Lauritz Raymond Ingram 2018-07-17 Why should you read this book...? Maybe one item, one sentence might strike a chord and influence you to think a little bit differently about something. That one item may cause you to make a change in an offense or do something different with your kids, or do something different as a ref. If one sentence causes you to see your calls differently, coach your team a little differently, give one player a little more playing time or another player a little less playing time... If something in this book results in your being less argumentative or better capable of holding your ground and doing what's best for you... if one small suggestion makes a change in anything you do, then everything that I have written here will have served its purpose.

Hawaiian Antiquities David Malo 2021-08-03 Hawaiian Antiquities (1898) is an ethnography by David Malo.

Originally published in 1838, Hawaiian Antiquities, or Moololo Hawaii, was updated through the end of Malo's life and later translated into English by Nathaniel Bright Emerson, a leading scholar of Hawaiian mythology. As the culmination of Malo's research on Hawaiian history, overseen by missionary Sheldon Dibble, Hawaiian Antiquities was the first in-depth written history of the islands and its people. "The ancients left no records of the lands of their birth, of what people drove them out, who were their guides and leaders, of the canoes that transported them, what lands they visited in their wanderings, and what gods they worshipped. Certain oral traditions do, however, give us the names of the idols of our ancestors." As inheritor of this ancient oral tradition, David Malo, a recent Christian convert who studied reading and writing with missionaries, provides an essential introduction to the genealogies,

history, traditions, and stories of his people. Engaging with the legends passed down from ancient generations as well as the flora and fauna of the islands in his own day, Malo links the Hawaii of the past to the world in which he lived, a time of political and religious change introduced by missionaries from the newly formed United States. With a beautifully designed cover and professionally typeset manuscript, this edition of David Malo's Hawaiian Antiquities is a classic work of Hawaiian literature reimagined for modern readers.

Successful Vermonters William H. Jeffrey 2016-08-05 Excerpt from Successful Vermonters: A Modern Gazetteer of

Lamoille, Franklin and Grand Isle Counties Containing an Historical Review of the Several Towns Out of court they were mostly a convivial lot and passed much of their leisure time when attending court here, and awaiting their turn in court, in rather rougher Sports than are now in vogue. The open bars were liberally patronized, and the toast and song went round. The utmost good fellowship and fraternal feeling marked all their social intercourse, but when pitted in the forum the sparks flew. In the court room there was a more stately air than now. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The Secrets of Spanish Tennis Chris Lewit 2014-09-01 What makes Spanish tennis so unique and successful? What exactly are those Spanish coaches doing so differently to develop superstars like Rafael Nadal and David Ferrer that other systems are not doing? These and other questions are answered in The Secrets of Spanish Tennis, the culmination of five years of study on the Spanish way of training by USTA High Performance Coach Chris Lewit. He visited many of the top Spanish academies and studied and interviewed some of the leading coaches in Spain to discern and distill this unique and special training methodology.

Talking to the Dead Sylvia Watanabe 2010-12-29 By an O. Henry Award-winning young writer, these interrelated stories paint a moving, many-faceted portrait of a Hawaiian village, where ancient traditions and modern values meet in a magical mix of the marvelous and the real.

N? Kua'ina Davianna P?maika'i McGregor 2007-04-30 The word kua'âina translates literally as "back land" or

"back country." Davianna Pômaika'i McGregor grew up hearing it as a reference to an awkward or unsophisticated person from the country. However, in the context of the Native Hawaiian cultural renaissance of the late twentieth century, kua'âina came to refer to those who actively lived Hawaiian culture and kept the spirit of the land alive. The mo'olelo (oral traditions) recounted in this book reveal how kua'âina have enabled Native Hawaiians to endure as a unique and dignified people after more than a century of American subjugation and control. The stories are set in rural communities or cultural kîpuka—oases from which traditional Native Hawaiian culture can be regenerated and revitalized. By focusing in turn on an island (Moloka'i), moku (the districts of Hana, Maui, and Puna, Hawai'i), and an ahupua'a (Waipi'io, Hawai'i), McGregor examines kua'âina life ways within distinct traditional land use regimes. The 'òlelo no'eau (descriptive proverbs and poetical sayings) for which each area is famous are interpreted, offering valuable insights into the place and its overall role in the cultural practices of Native Hawaiians. Discussion of the landscape and its settlement, the deities who dwelt there, and its rulers is followed by a review of the effects of westernization on kua'âina in the nineteenth century. McGregor then provides an overview of social and economic changes through the end of the twentieth century and of the elements of continuity still evident in the lives of kua'âina. The final chapter on Kaho'olawe demonstrates how kua'âina from the cultural kîpuka under study have been instrumental in restoring the natural and cultural resources of the island.
