Sri Ramakrishna (1836-1886) and a Nineteenth Century Subaltern Tapati Bharadwaj 2014-03-01 The focus in this brief essay-book is to retrieve the voice of a nineteenth century subaltern in Bengal, India, Rani Rashmoni (1793-1861) and the conditions under which she lived. By having a dialogue with a subject from the past, by recuperating a history that has been elided by feminist historians, we are compelled to conclude that Rani Rashmoni was an agent on her own rights. Oftentimes, we have to be willing to venture into documented sources out of the norm in order to create a space from where we can make ethical contact with the subaltern, even if the subaltern seems not to have any agency - complying and conforming to most norms of patriarchy, caste and class. We have to create new interpretative parameters to read within and into the stories which create these social matrices that construct the oppressed female subaltern. More importantly, where do we locate primary or even secondary material about women who lived at this time period? If we,

as feminists, are willing to broaden our focus on what texts we are willing to read, then we can sketch out the lives of women who were living at this time period. It is because of Sri Ramakrishna (1836-1886), the mystic saint of Bengal, that we know so much about the life of Rani Rashmoni but why is it that we hear little about her, or there is little mention of her, outside the works published on Sri Ramakrishna by the Ramakrishna Mission? When the Britishers arrived, towards the end of the eighteenth century, were all native women victims of sati and patriarchy? It is within this premise that I try to understand the life of Rani Rashmoni, who can be considered as actively involved not only in philanthropy but also in business and management. It is at the interstices of the religious interiority of her life, and the public-ness of being a member of the rich elite that we have to deconstruct her life. Was Sri Ramakrishna more a closeted social revolutionary than anything else, and through his politics of allowing for a lower caste woman to be his patron, articulating a position that was socially radical? In the early nineteenth century, through the life of Rani Rashmoni, we do get to hear the subaltern speak, thus problematizing the feminist conundrum - can the subaltern speak? If Rani Rashmoni was after all, a hybrid, westernized female entrepreneur, under the disguise of conforming within the patriarchal mould, she was legitimized within mainstream Hinduism by the presence of Sri Ramakrishna.

Overcoming Me Jewel Adams 2015-01-01 God loves us and has a plan for us. Every human being is a part in that plan. There is opposition in all things, and overcoming trials is one of the most important lessons we can learn. It took me a long time to figure this out and I am grateful for what I have learned. But those lessons did not come without a price. In this little book, I will humbly share some of what I have learned.

Lieutenant Gustl Arthur Schnitzler 2003 With Peter Altenberg and Hugo von Hofmansthal, Arthur Schnitzler was a major modernist of the period of Viennese intellectual activity from 1890 to 1930. Born in 1862 and trained as a physician, Schnitzler increasingly came to be influenced by the psychoanalysis centered around Sigmund Freud. Ultimately he gave up medicine to devote himself to writing brilliant psychological portraits of the Viennese bourgeois and upper classes of the fin de siecle. Schnitzler's most famous works include his dramas. Anatol (1893), Liebelei (1896), and The Green Cockatoo (1899), and the fictions The Lonely Way (1904), The Road Into the Open (1908), Casanova's Homecoming (1918), and Dream Story (1926). Lieutenant Gustl, published in 1901, is among Schnitzler's major short works, and is important as one of the first examples in this century of "stream of consciousness" narration. James Joyce has admitted to have been influenced by this book in writing Ulysses. A tour de force of modernist point-of-view, Lieutenant Gustl is highly critical of Austria's militarism, and resulted in anti-Semitic attacks to Schnitzler when it was first published.

Once Upon a Time in Essex Big Foot 2016-08-04 There have been many versions of who, why and how, regarding events which took place on the night of the 6th December 1995, in Rettendon, Essex. The death of three men is all that is certain. They were notorious, violent and professional criminals. And they died on a lonely and deserted farmers track. In the middle of nowhere, unarmed. These are the only elements of the event, which are universally accepted. Two men are serving life on scant evidence. The convicted proclaim their innocence, yet appeal has been denied, or manoeuvred from grasp. Conspiracy theories are rife. Several films and a few accounts have clawed their way into existence; to be portrayed as factual accounts of the event. Fact or fiction, perhaps no longer relevant in the unforgettable and alluring story about the untimely demise of the gentlemen in question. Pat Tate, Craig Rolfe and Tony Tucker. They are dead, somebody knows why and how. They aren't talking. The legend, perhaps best, now becomes a fable. Corporal William Handley served in the Falklands war. A member of the legendary 22 Special Air Service regiment. D Squadron, Mountain Troop. It is not a forever career. He can't do Civvy Street. He joins the Metropolitan Police. Perhaps they should have turned him away. Someone in Special Branch thinks otherwise. Bill's career is nothing out of the ordinary. No spectacular rise through the ranks. Just a steady bloke, eventually becoming a sergeant in the Criminal Investigation Department. Out of a uniform, but not really. Hollywood's in Romford, the first big door for Tony Tucker. Not long before the bright lights of Bas Vegas, a few miles along the Southend Arterial beckon. More sensibly referred to as Basildon by Essex Police. Tucker and Tate's organisation and muscle grows rapidly. Fuelled by steroids, ecstasy and fast easy money. Essex is partying, the Essex Boys are cashing in. The power struggles spill out onto the street. Eventually getting the attention of the serious organised crime team. Trouble is the Essex Boys are always one step ahead. They're learning fast, got inside help. No one has the bottle to break ranks, give evidence. They pair have earned the right to step back from front line work. Not going down for a large possession, when there are so many mules to do the work for them. Eventually, if you push hard enough. There's going to be collateral. Any firefight, it's a given. The wrong person will go down, an innocent. It had all gone too far. They didn't care. They were too busy looking at the next big bit of work. This time they were helping themselves to someone else's prize. They had their

eye off the ball. It was just a quick look, then on to dinner.

Bigfoot Field Work 101 William Jevning 2017-04-05 In creating the Bigfoot Field Work 101 series, my intention was to help both the serious minded person wishing to become involved in the subject of the Sasquatch and the novice who may not be particularly interested in investing a lot of time to the subject but who may come across evidence and may want to know what to do with it. I originally made each volume separate, for those wishing to only focus on specific areas of interest in the subject, but here in this single volume are all eight volumes. My hopes are that anyone entering the topic of Bigfoot or those currently involved can use the information

contained here to help them get the most from their endeavors.

God's Feminist Movement Amber Picota 2016-07-19 Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the worldby being you! Break off religious traditions that keep women trapped in old school

legalism and move beyond Christian clichs that minimize a womans true position in Christ!
