

New Era Newspaper Namibia Vacancy

Getting the books New Era Newspaper Namibia Vacancy now is not type of challenging means. You could not only going gone ebook buildup or library or borrowing from your associates to retrieve them. This is an unconditionally simple means to specifically get lead by on-line. This online declaration New Era Newspaper Namibia Vacancy can be one of the options to accompany you taking into consideration having supplementary time.

It will not waste your time. acknowledge me, the e-book will extremely express you supplementary matter to read. Just invest tiny become old to open this on-line statement New Era Newspaper Namibia Vacancy as skillfully as evaluation them wherever you are now.

Chinese Politics in the Era of Xi Jinping Willy Wo-Lap Lam 2015-03-12 Renowned for his coverage of China's elite politics and leadership transitions, veteran Sinologist Willy Lam has produced the first book-length study in English of the rise of Xi Jinping--General Secretary of the Chinese Communist Party (CCP) since November 2012. With rare insight, Lam describes Xi's personal history and his fascination with quasi-Maoist values, the factional politics through which he ascended, the configuration of power of the Fifth-Generation leadership, and the country's likely future directions under the charismatic "princeling." Despite an undistinguished career as a provincial administrator, Xi has rapidly amassed more power than his predecessors. He has overawed his rivals and shaken up the party-state hierarchy by launching large-scale anti-corruption and rectification campaigns. With a strong power base in the People's Liberation Army and a vision of China as an "awakening lion," Xi has been flexing China's military muscle in sovereignty rows with countries including Japan, Vietnam, and the Philippines while trying to undermine the influence of the United States in the Asia-Pacific region. While Xi is still fine-tuning his art of governance, his zero tolerance for dissent and his preoccupation with upholding the privileges of the "red aristocracy" and the CCP's status as "perennial ruling party" do not bode well for economic, political, or cultural reforms. Lam takes a close look at Xi's ideological and political profile and considers how his conservative outlook might shape what the new strongman calls "the Great Renaissance of the Chinese race."

Debates of the National Assembly Namibia. Parliament. National Assembly (1990-) 2007

Namibia's Liberation Struggle Colin Leys 1995 Not a history of the 23-year struggle by the South West African People's Organization to free Namibia from the rule of South Africa, but a study of how that struggle impacted the liberation movement itself and the political culture bequeathed to the country at independence. The main point is that democracy was severely suppressed in order to achieve the victory against such overwhelming force, and that the subsequent government, liberal rather than democratic, is ultimately answerable to the people, but not under their immediate control. A nicely produced volume. Annotation copyright by Book News, Inc., Portland, OR So this is Democracy? 2001

The Role of Traditional Authority in a Changing Namibia 1997

Electoral Systems and Democratization in Southern Africa Andrew Reynolds 1999-01-28 The design of electoral systems and executive types is increasingly being recognized the key lever of constitutional engineering to be applied in the interests of political accommodation and stability in ethnically divided societies. In this groundbreaking comparative study of democratic design in Southern Africa, Andrew Reynolds finds that the decisions about how to constitute representative parliaments have wide ranging effects on the type of parties and party system that develops, the nature of executive-legislative relations, and the inclusiveness of both majority and minority interests in the process of governance. While electoral system design is the primary focus of the book, the related constitutional issues of whether to choose a presidential or parliamentary system, and whether to entrench consensual, consociational or majoritarian government are also discussed. Analysing the experiences of Malawi, Namibia, South Africa, Zambia, and Zimbabwe, the author presents a host of revealing conclusions that help shed light on the success or failure of democratic design in other fledgling democracies, in both Africa and beyond.

Historical Dictionary of Namibia Victor L. Tonchi 2012-08-31 The Historical Dictionary of Namibia covers the history of Namibia through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has several hundred cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Namibia.

Guide to Namibian Politics Graham Hopwood 2004 This publication aims to give an accessible overview of Namibian politics by focusing on key personalities, political parties, and the poltical and electoral systems. The publication also contains a chronology of Namibia history and glossary of political terms as they relate to Namibia.

Media System and News Selections in Namibia Andreas Rothe 2010 What is the status quo of the Namibian media system? What radio and TV stations, what newspapers and magazines compete for the attention of the Namibian citizen? What is the situation regarding press freedom and the formal education prospective journalists receive? How do Namibian journalists select news? Is the so far European-focused News Value Theory a sensible explanatory approach for that? How does news selection differ from Namibia to Germany, from private to state media in Namibia, from print to broadcasting? These are some of the central issues author Andreas Rothe addresses in this English language version of his diploma thesis.

Public Procurement Law and Reform in Developing Countries: International Best Practices and Lessons Learned Anne Schmidt 2017-06-28 Das Buch bietet einen breiten Überblick über best practices und lessons learned im öffentlichen Auftragsvergaberecht und deren Reform in Entwicklungsländern. Das Werk richtet sich vor allem an Studenten, Wissenschaftler und Experten, die sich über das öffentliche Auftragswesen und insbesondere Recht und Reform auf diesem Gebiet informieren möchten. Aber auch Praktiker, die für die erfolgreiche Umsetzung des Rechts verantwortlich sind und alle an Reformprozessen des öffentlichen Auftragsvergaberechts Beteiligten können von der Lektüre profitieren. Neben einer umfassenden Analyse der wichtigsten internationalen und ausgewählter nationaler Auftragsvergaberechtsinstrumenten - darunter das GPA, das UNCITRAL Modellgesetz und das Südafrikanische System - liefert die Fallstudie Namibia nützliche Einblicke in rechtliche aber auch praktische Probleme bei der Einführung und Durchsetzung des öffentlichen Auftragsvergaberechts in Entwicklungsländern.

Health Crises and Media Discourses in Sub-Saharan Africa Carol Azungi Dralega 2022-05-24 This is an open access book which brings together leading scholars and critical discourses on political, economic, legal, technological, socio-cultural and systemic changes and continuities intersecting media and health crises in Sub-Saharan Africa. The volume extensively discusses COVID-19 but it also covers other epidemics, such as malaria, HIV/AIDS as well as "silent" health crises such as mental health---simmering across the subcontinent. The chapters fill knowledge gaps, highlight innovations, unpack the complexities surrounding the media ecosystem in times of health crises. They explore, among other issues, the politics of public health communication; infodemics; existential threats to media viability; draconian legislations; threats to journalists/journalism; COVID-related entrepreneurship, marginalization, and more. This is a timely resource for academics, advocacy groups, media practitioners and policy makers working on crises and media reporting, not just in Africa but anywhere in the global South.

Namibia, Human Rights Report 2008

Women in Namibia Eunice M. lipinge 1997 The Beyond Inequalities series presents the situation of women and men in the Southern African Development Community (SADC) as a region, and in each member country; and reviews the roles and responsibilities, access to and control over resources, decision-making powers, needs and constraints of women vis-a-vis men. The series is forward looking, based on an assessment that inequalities are now generally acknowledged as an impediment to development and economic growth in most countries and regions of the world. The twelve country profiles document and analyse information along themes drawn from the Critical Areas of Concern identified in the Beijing Platform for Action and derived from what the countries of the region consider to be priorities. Each profile is in three parts: Situation Analysis, Policies and Programmes, and the Way Forward, and each has references, bibliography, appendixes, and illustrative tables, figures and boxes.

Journalism and Ethics: Breakthroughs in Research and Practice Management Association, Information Resources 2019-05-03 In the modern hyperconnected society, consumers are able to access news from a variety of channels, including social media, television, mobile devices, the internet, and more. From sensationalist headlines designed to attract click-throughs to accusations of bias assigned to specific news sources, it is more important now than ever that the media industry maintains best practices and adheres to ethical reporting. By properly informing citizens of critical national concerns, the media can help to transform society and promote active participation. Journalism and Ethics: Breakthroughs in Research and Practice examines the impacts of journalism on society and the media's responsibility to accurately inform citizens of government and non-government activities in an ethical manner. It also provides emerging research on multimedia journalism across various platforms and formats using digital technologies. Highlighting a range of pertinent topics such as investigative journalism, freedom of expression, and media regulation, this publication is an ideal reference source for media professionals, public relations officers, reporters, news writers, scholars, academicians, researchers, and upper-level students interested in journalism and journalistic ethics.
