Escape From the Ghetto John Carr 2021-06-24 'Trust me, this is a great true story' - Ken Follett 'This is an unbelievable story that is all completely true. The life described is astonishing. John Carr has done an extraordinary and riveting job uncovering the real father behind the dad he thought he knew.' - Lord Tony Hall 'Utterly compelling. It is an extraordinary tale, brilliantly written' - Alastair Stewart 'Extraordinary. An adventure story in the most terrible circumstances, a kid facing the most desperate dangers but taking fantastic risks with great boldness' - Fiona MacTaggart 'The remarkable story of a Jewish boy who killed a Nazi guard and escaped the Holocaust aged 13' - The Times ~~~~~ In early 1940 Chaim Herzman was locked in to the Łódź Ghetto in Poland. Hungry, fearless and determined, he goes on scavenging missions outside the wire limits, until he is forced to kill a Nazi guard. That moment changes the course of his life, and sets him on an unbelievable adventure across enemy lines. Escape from the Ghetto is about a normal boy who faced extermination by the Nazis in the ghetto or a Nazi deathcamp, and the extraordinary life he led in avoiding that fate. It's a bittersweet story about epic hope, beauty amidst horror, and the triumph of the human spirit. John Carr is Henry Carr's eldest son, and in Escape From the Ghetto he has recreated his father's incredible adventure, through recordings and transcribed conversations in later life. For fans of The Tattooist of Auschwitz, The Saboteur of Auschwitz and The Volunteer, this is the incredible true story of escape from the Nazis during World War II.

Winter in the Morning Janina Bauman 1991 Janina Bauman was thirteen-years-old when Hitler's decree forced her family into the Jewish ghetto in Warsaw. The young, bright and lively girl suddenly found herself in a cramped flat hiding with other Jewish families. At first even curfews and the casual cruelty meted out by the German occupiers could not completely wipe out her passion for books, boys and romance, 'Perhaps we've been wasting the last bits of our lives not even trying to find out what life is?' Then came the raids and Janina, with her sister and mother, had to keep on the move to avoid being one of thousands rounded up every day and deported to the camps. Their escape to the 'Aryan' side was followed by years spent behind hidden doors, where dependence on others was crucial, and all that a growing girl craves, denied. Told through her teenage diaries, this is an extraordinary tale of a passionate young woman's survival and courage.

A Surplus of Memory Yitzhak ("Antek") Zuckerman 1993-05-07 In 1943, against utterly hopeless odds, the Jews of the Warsaw Ghetto rose up to defy the Nazi horror machine that had set out to exterminate them. One of the leaders of the Jewish Fighting Organization, which led the uprisings, was Yitzhak Zuckerman, known by his underground pseudonym, Antek. Decades later, living in Israel, Antek dictated his memoirs. The Hebrew publication of Those Seven Years: 1939-1946 was a major event in the historiography of the Holocaust, and now Antek's memoirs are available in English. Unlike Holocaust books that focus on the annihilation of European Jews, Antek's account is of the daily struggle to maintain human dignity under the most dreadful conditions. His passionate, involved testimony, which combines detail, authenticity, and gripping immediacy, has unique historical importance. The memoirs situate the ghetto and the resistance in the social and political context that preceded them, when prewar Zionist and Socialist youth movements were gradually forged into what became the first significant armed resistance against the Nazis in all of occupied Europe. Antek also describes the activities of the resistance after the destruction of the ghetto, when 20,000 Jews hid in "Aryan" Warsaw and then participated in illegal immigration to Palestine after the war. The only extensive document by any Jewish resistance leader in Europe, Antek's book is central to understanding ghetto life and underground activities, Jewish resistance under the Nazis, and Polish-Jewish relations during and after the war. This extraordinary work is a fitting monument to the heroism of a people.

Voices from the Warsaw Ghetto David G. Roskies 2019-04-23 The powerful writings and art of Jews living in the Warsaw Ghetto Hidden in metal containers and buried underground during World War II, these works from the Warsaw Ghetto record the Holocaust from the perspective of its first interpreters, the victims themselves. Gathered clandestinely by an underground ghetto collective called Oyneg Shabes, the collection of reportage, diaries, prose, artwork, poems, jokes, and sermons captures the heroism, tragedy, humor, and social dynamics of the ghetto. Miraculously surviving the devastation of war, this extraordinary archive encompasses a vast range of voices—young and old, men and women, the pious and the secular, optimists and pessimists—and chronicles different perspectives on the topics of the day while also preserving rapidly endangered cultural traditions. Described by David G. Roskies as "a civilization responding to its own destruction," these texts tell the story of the Warsaw Ghetto in real time, against time, and for all time.

Who Will Write Our History? Samuel. D Kassow 2009-02-26 In the Autumn of 1940 the Jews of Warsaw were forced into a crowded ghetto, enduring unimaginable conditions until most were killed. Yet, amid this, one man, Emanuel Ringelblum, started an extraordinary clandestine organization dedicated to recording life under Nazi occupation. His aim: to ensure that, if he died, his

people's history would still be written. Codenamed Oyneg Shabes, this underground group painstakingly gathered together an archive of some 35,000 documents - letters, poems, photographs, personal testimonies, menus, sketches, songs and official papers - which was buried in tin boxes and milk bottles just before the ghetto was razed to the ground. This secret cache lay deep beneath the rubble for years, long after most of the Oyneg Shabes's members had perished, until one of the few survivors led the way to its secret location. Only now can the story of this incredible historical record, and the people behind it, be fully told. It is a testament to an extraordinary act of defiance in the face of tyranny, and to the triumph of history.

NOTES FROM THE WARSAW GHETTO Emmanuel Ingelblum 2006-03-01 Notes from the Warsaw Ghetto is the moving account of the horror of the Warsaw Ghetto-written by the recognized archivist and historian of the area while he lived through it. Through anecdotes, stories, and notations-some as brief as was slapped today in Zlota Street-there emerges the agonizing, eyewitness accounts of human beings caught in the furor of senseless, unrelenting brutality. In the Journal, there is the whole of life in the Ghetto, from the erection of the Wall, in November 1940, for hygienic reasons, through the brief period of deceptive calm to the eventual mass murders. It is a portrait of man tested by crisis, stained at times by the meanness of avarice and self-preservation, illumined more often by moments of nobility. Language Notes: English, Yiddish (translation) Emmanuel Ringelblum was 39 when he began his notes. When the Germans first invaded Poland, Ringelblum, who could have stayed abroad and escaped, returned to Warsaw from Switzerland knowing that his was an historical event of importance for his people and a moment in time that must be forever a part of written history. As the recognized archivist of the Ghetto he gathered around him a staff, and assigned each to cover a specific part of Ghetto life. From these reports and this notes, he assembled his Journal. On March 7, 1944, Emmanuel Ringelblum was executed among the ruins of Warsaw, together with his wife, his son, and thirty-eight others who shared his hiding place.

Judenrat Isaiah Trunk 1996-01-01 During World War II, more than five million Jews lived under Nazi rule in Eastern Europe. In occupied Poland, the Baltic countries, Byelorussia, and Ukraine, they were stripped of property and "resettled" in ghettos. The German authorities established in each ghetto a Jewish Council, or Judenrat, to maintain minimal living standards. The Judenrat was required to carry out Nazi directives against other Jews, to supply forced labor, and eventually to cooperate in the Final Solution. Did the Jewish leaders of the ghettos, who were also victims, assist their murderers? If cooperation with the Nazi oppressors was morally defensible during the first stage in organizing the ghettos, what about later, when deportations to death camps began? Trunk analyzes situations where the Councils and ghetto police were forced to send their own communities to death. Some Council members chose suicide rather than supply lists to the Nazis; others used delaying tactics. Some handed over the lists. Some joined their families in the gas chamber. In assessing guilt and innocence, Trunk never allows the reader to forget that the impossible choices facing the Jewish leaders were created by the Nazis.

And We Are Not Saved David Wdowinski 2015-11-06 Succinctly and powerfully recounts the experiences of the author, a founding member of the Jewish Military Union, and important witness during the trial of Nazi criminal Adolf Eichmann. (EJ 2007) "Because the author was a leader of a major Jewish political party in Poland he is able to give us an understanding of the historical and social conditions that preceded the holocaust and gave it its impetus. Because he is a trained psychiatrist, we get illuminating insights into the behavior of the individuals and the masses, both heroic and inhumanly brutal, that determined the tragic destiny of the Jews throughout Europe."

Epidemics and Genocide in Eastern Europe, 1890-1945 Paul Weindling 2000 'Weindling has clearly put his finger on something important here.' -Journal of Modern History'Paul Weindling's Epidemics and Genocide in Eastern Europe, 1890-1945 is a chilling book.' -English Historical Review'This volume is powerful and perceptive, informative and insightful, providing visual evidence and explanatory diagrams which give a very comprehensive aspect to the book... anyone with even the remotest interest in modern history would find this volume intriguing.' -Bulletin of Medical Ethics'Dense and academic but at the same time stimulating... a compelling work.' -Choice'How did typhus come to be viewed as a 'Jewish disease' and what was the connection between the anti-typhus measures during the First World War and the Nazi gas chambers and other genocidal medical practices in the Second World War? This powerful book provides valuable new insight into the history of German medicine in its reaction to the international fight against typhus and the perceived threat of epidemics from the East in the early part of the twentieth century. Professor Weindling examines how German bacteriology became increasingly racialised, and how it sought to eradicate the disease by eradication of the perceived carriers. Delousing became a key feature of Nazi preventive medicine during the Holocaust, and gassing a favoured means of eradication of typhus.

If This Is A Woman Sarah Helm 2015-01-15 Winner of the Longman-History Today Book Prize: A 'profoundly moving chronicle' (Observer) that tells the story of Ravensbrück, the only concentration camp designed specifically for women, using new testimony from survivors On a sunny morning in May 1939 a phalanx of 800 women - housewives, doctors, opera singers, politicians, prostitutes - were marched through the woods fifty miles north of Berlin, driven on past a shining lake, then herded through giant gates. Whipping and kicking them were scores of German women guards. Their destination was Ravensbrück, a concentration camp designed specifically for women by Heinrich Himmler, prime architect of the Nazi genocide. For decades the story of Ravensbrück was hidden behind the Iron Curtain and today is still little known. Using testimony unearthed since the end of the Cold War, and interviews with survivors who have never spoken before, Helm has ventured into the heart of the camp, demonstrating for the reader in riveting detail how easily and quickly the unthinkable horror evolved. 'It not only fills a gap in Holocaust history but it is an utterly compelling read' Taylor Downing, History Today 'A sense of urgency infuses this history, which comes just in time to gather the testimony of the camp's survivors . . . meticulous, unblinking . . . [Helm's] book comes not a moment too soon' The Economist

Irena Sendler and the Children of the Warsaw Ghetto Susan Goldman Rubin 2011 Using toolboxes, ambulances, and other ingenious measures, Irena Sendler defied the Nazis and risked her own life by saving and then hiding Jewish children. Her secret list of the children's real identities was kept safe, buried in two jars under a tree in war-torn Warsaw. An inspiring story of courage and compassion, this biography includes a list of resources, source notes, and an index.

A Cup of Tears Abraham Lewin 1990

The Light of Days Judy Batalion 2021-04-15 One of the most important untold stories of World War II, The Light of Days is a soaring landmark history that brings to light the extraordinary accomplishments of brave Jewish women who inspired Poland's Jewish youth groups to resist the Nazis. Witnesses to the brutal murder of their families and the violent destruction of their communities, a cadre of Jewish women in Poland - some still in their teens - became the heart of a wide-ranging resistance network that fought the Nazis.

With courage, guile and nerves of steel, these 'ghetto girls' smuggled guns in loaves of bread and coded intelligence messages in their plaited hair. They helped build life-saving systems of underground bunkers and sustained thousands of Jews in safe hiding places. They bribed Gestapo guards with liquor, assassinated Nazis and sabotaged German supply lines. The Light of Days at last reveals the real history of these incredible women whose courageous yet little-known feats have been eclipsed by time. [A] powerful book . . . The actions of these young women, carefully brought back to life by Batalion, turn much of what we believe we know about the Holocaust on its head. -- Jenni Frazer ? Jewish Chronicle Remarkable and inspiring . . . thanks to Judy's meticulous research, these near century old stories of resistance in the face of overwhelming odds are about to be read once again ? Daily Express

Notes From The Warsaw Ghetto: The Journal Of Emmanuel Ringelblum Emmanuel Ringelblum 2015-11-06 When the walls of the Warsaw Ghetto first went up in November 1940, Emmanuel Ringelblum was there. In the face of horrendous persecution and palpable danger, his goal was to create a written record of life in the Ghetto, not just the destitution and brutality of life under Nazi rule, but out of the shining acts of nobility and heroism by people under the most dire circumstances. From Inside the Ghetto, Ringelblum, a well-respected historian and archivist, compiled his journal recording daily life in the Ghetto, from its beginnings to the eve of the Ghetto uprising in April 1943. Using accounts and anecdotes from his many friends and neighbours, Ringelblum created a detailed, colourful, and emotional record of one of the most terrible epochs in human history. Notes from the Warsaw Ghetto is an unflinching, first-hand account of history unfolding before your very eyes.

The Book Smugglers David E. Fishman 2017-10-03 The Book Smugglers is the nearly unbelievable story of ghetto residents who rescued thousands of rare books and manuscripts-first from the Nazis and then from the Soviets-by hiding them on their bodies, burying them in bunkers, and smuggling them across borders. It is a tale of heroism and resistance, of friendship and romance, and of unwavering devotion-including the readiness to risk one's life-to literature and art. And it is entirely true. Based on Jewish, German, and Soviet documents, including diaries, letters, memoirs, and the author's interviews with several of the story's participants, The Book Smugglers chronicles the daring activities of a group of poets turned partisans and scholars turned smugglers in Vilna, "The Jerusalem of Lithuania." The rescuers were pitted against Johannes Pohl, a Nazi "expert" on the Jews, who had been dispatched to Vilna by the Nazi looting agency, Einsatzstab Reichsleiter Rosenberg, to organize the seizure of the city's great collections of Jewish books. Pohl and his Einsatzstab staff planned to ship the most valuable materials to Germany and incinerate the rest. The Germans used forty ghetto inmates as slave-laborers to sort, select, pack, and transport the materials, either to Germany or to nearby paper mills. This group, nicknamed "the Paper Brigade," and informally led by poet Shmerke Kaczerginski, a garrulous, street-smart adventurer and master of deception, smuggled thousands of books and manuscripts past German guards. If caught, the men would have faced death by firing squad at Ponar, the mass-murder site outside of Vilna. To store the rescued manuscripts, poet Abraham Sutzkever helped build an underground book-bunker sixty feet beneath the Vilna ghetto. Kaczerginski smuggled weapons as well, using the group's worksite, the former building of the Yiddish Scientific Institute, to purchase arms for the ghetto's secret partisan organization. All the while, both men wrote poetry that was recited and sung by the fast-dwindling population of ghetto inhabitants. With the Soviet "liberation" of Vilna (now known as Vilnius), the Paper Brigade thought themselves and their precious cultural treasures saved-only to learn that their new masters were no more welcoming toward Jewish culture than the old, and the books must now be smuggled out of the USSR. Thoroughly researched by the foremost scholar of the Vilna Ghetto-a writer of exceptional daring, style, and reach-The Book Smugglers is an epic story of human heroism, a little-known tale from the blackest days of the war.

Who Will Write Our History? Samuel D. Kassow 2018-08-01 In 1940, the historian Emanuel Ringelblum established a clandestine organization, code named Oyneg Shabes, in Nazi-occupied Warsaw to study and document all facets of Jewish life in wartime Poland and to compile an archive that would preserve this history for posterity. As the Final Solution unfolded, although decimated by murders and deportations, the group persevered in its work until the spring of 1943. Of its more than 60 members, only three survived. Ringelblum and his family perished in March 1944. But before he died, he managed to hide thousands of documents in milk cans and tin boxes. Searchers found two of these buried caches in 1946 and 1950. Who Will Write Our History tells the gripping story of Ringelblum and his determination to use historical scholarship and the collection of documents to resist Nazi oppression.

The Stars Bear Witness Bernard Goldstein 2007-03 PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend- ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, - such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that

the boatman has as much to do with catching trout in a loch as the angler. Well, we don't deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

Christians in the Warsaw Ghetto Peter Florian Dembowski 2005 During the early 1940s, some five thousand Christians of Jewish origin lived in the Warsaw ghetto. In this remarkable book, which combines both memoir and historical analysis, Peter F. Dembowski describes their fate. He also brings to light the little known fact that within the Warsaw ghetto were fully functioning Christian churches, including at first three and later two Roman Catholic parishes. "Professor Dembowski, a veteran of the Warsaw Uprising, draws upon personal recollection, archival material, and other works unavailable in English, in this moving account of a forgotten aspect of Holocaust history. As Professor Dembowski notes, this little book on the 'Jewish-Christian communities' of the Warsaw ghetto is a 'microhistory' —'a small part of the far larger tragedy of the Warsaw ghetto and of the entire Shoah.' But it is only through such small parts that we can begin to grasp the evil of the whole. Some of the Jewish Christians in the Warsaw ghetto were recent converts; others were descended from ancestors who had become Christians generations before. All were Jewish under Nazi law. Professor Dembowski's account of how the Jewish Christians perceived themselves, and how they were perceived by others, will be of interest, not only to students of the Shoah, but to all who are interested in law, religion, culture, and the construction of identity. Indeed, this is a book for anyone who appreciates the complexity of the human condition and the resourcefulness of the human spirit." —Barry Sullivan, Fulbright Professor, University of Warsaw and Partner, Jenner & Block, Chicago "This book is a profound testimony to the complexity of life under the most extreme circumstances. It is a deeply moving piece of writing." —Michael A. Signer, Abrams Professor of Jewish Thought and Culture and Director of the Notre Dame Holocaust Project, University of Notre Dame

Women in the Holocaust Zoe Waxman 2017 This publication is about the ways in which socially- and culturally-constructed gender roles were placed under extreme pressure, like in the Holocaust.

Notes from the Warsaw Ghetto Emmanuel Ringelblum 1958

Polish-Jewish Relations During the Second World War Emanuel Ringelblum 1992 A man of towering intellectual accomplishment and extraordinary tenacity, Emmanuel Ringelblum devoted his life to recording the fate of his people at the hands of the Germans. Convinced that he must remain in the Warsaw Ghetto to complete his work, and rejecting an invitation to flee to refuge on the Aryan side, Ringelbaum, his wife, and their son were eventually betrayed to the Germans and killed. This book represents Ringelbaum's attempt to answer the questions he knew history would ask about the Polish people: what did the Poles do while millions of Jews were being led to the stake? What did the Polish underground do? What did the Government-in-Exile do? Was it inevitable that the Jews, looking their last on this world, should have to see indifference or even gladness on the faces of their neighbors? These questions have haunted Polish-Jewish relations for the last fifty years. Behind them are forces that have haunted Polish-Jewish relations for a thousand years.

28 Days: A Novel of Resistance in the Warsaw Ghetto David Safier 2020-03-10 Inspired by true events, David Safier's *28 Days: A Novel of Resistance in the Warsaw Ghetto* is a harrowing historical YA that chronicles the brutality of the Holocaust. Warsaw, 1942. Sixteen-year old Mira smuggles food into the Ghetto to keep herself and her family alive. When she discovers that the entire Ghetto is to be "liquidated"—killed or "resettled" to concentration camps—she desperately tries to find a way to save her family. She meets a group of young people who are planning the unthinkable: an uprising against the occupying forces. Mira joins the resistance fighters who, with minimal supplies and weapons, end up holding out for twenty-eight days, longer than anyone had thought possible.

Life in a Jar Jack Mayer 2011 Tells story of Irena Sendler who organized the rescue of 2,500 Jewish children during World War II, and the teenagers who started the investigation into Irena's heroism.

Notes from the Warsaw Ghetto Emanuel Ringelblum 2006 Draws on anecdotes, stories, and notations to present a history of the Warsaw Ghetto from the first hand perspectives of individuals who witnessed the erection of the Wall in November 1940, its daily brutalities, and its mass murders. Reprint.

The Warsaw Ghetto Barbara Engelking 2009 "The establishment and subsequent liquidation of the Warsaw Ghetto has become an icon of the Holocaust experience, yet, remarkably, a full history of the ghetto has never been written, despite the publication over some sixty years of numerous memoirs, studies, biographical accounts, and primary documents. *The Warsaw Ghetto: A Guide to the Perished City* is this history, researched and written with painstaking care and devotion over many years and now published for the first time in English." "In this book the authors explore the history of the ghetto's evolution, detailing the daily experience of its thousands and thousands of inhabitants from its creation in 1941 to its liquidation in 1943. Encyclopedic in scope, the book encompasses a range of topics from food supplies to education, religious activities to the structure of the Judenrat. Separate chapters deal with the mass deportations to Treblinka in July 1942 and the famous uprising in April 1943. Detailed original maps identify the locations of businesses, social institutions, medical facilities, and more, while biographical notes, a glossary of terms, and an extensive bibliography complete this masterful work of restoration."--BOOK JACKET.

Into the Forest Rebecca Frankel 2021-09-07 A 2021 National Jewish Book Award Finalist One of Smithsonian Magazine's Best History Books of 2021 "An uplifting tale, suffused with a karmic righteousness that is, at times, exhilarating." —Wall Street Journal "A gripping narrative that reads like a page turning thriller novel." —NPR In the summer of 1942, the Rabinowitz family narrowly escaped the Nazi ghetto in their Polish town by fleeing to the forbidding Bialowieza Forest. They miraculously survived two years in the woods—through brutal winters, Typhus outbreaks, and merciless Nazi raids—until they were liberated by the Red Army in 1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a wedding in Brooklyn would lead Philip to find the woman who saved him. And to discover her daughter Ruth was the love of his life. From a little-known chapter of Holocaust history, one family's inspiring true story.

Memoirs of a Warsaw Ghetto Fighter ?im?ah Rotem 2001-10-01 Recounts the struggle against the Nazi takeover of Warsaw and provides an account of the author's activities as head courier for the ŻOB, the Jewish Fighting Organization.

The Pianist Wladyslaw Szpilman 2011-12-08 The bestselling memoir of a Jewish pianist who survived the war in Warsaw against all odds. 'We are drawn in to share his surprise and then disbelief at the horrifying progress of events, all conveyed with an

understated intimacy and dailiness that render them painfully close... riveting' OBSERVER On September 23, 1939, Wladyslaw Szpilman played Chopin's Nocturne in C-sharp minor live on the radio as shells exploded outside - so loudly that he couldn't hear his piano. It was the last live music broadcast from Warsaw: That day, a German bomb hit the station, and Polish Radio went off the air. Though he lost his entire family, Szpilman survived in hiding. In the end, his life was saved by a German officer who heard him play the same Chopin Nocturne on a piano found among the rubble. Written immediately after the war and suppressed for decades, *THE PIANIST* is a stunning testament to human endurance and the redemptive power of fellow feeling. 'The images drawn are unusually sharp and clear... but its moral tone is even more striking: Szpilman refuses to make a hero or a demon out of anyone'

LITERARY REVIEW

The Diary of Mary Berg Mary Berg 2013-10-01 The first eye-witness account ever published of life in the Warsaw Ghetto Mary Berg was fifteen when the German army poured into Poland in 1939. She survived four years of Nazi terror, and managed to keep a diary throughout. This astonishing, vivid portrayal of life inside the Warsaw Ghetto ranks with the most significant documents of the Second World War. Mary Berg candidly chronicles not only the daily deprivations and mass deportations, but also the resistance and resilience of the inhabitants, their secret societies, and the youth at the forefront of the fight against Nazi terror. Above all *The Diary of Mary Berg* is a uniquely personal story of a life-loving girl's encounter with unparalleled human suffering, and offers an extraordinary insight into one of the darkest chapters of human history.

Irena's Children Tilar J. Mazzeo 2017-06-06 The "extraordinary and gripping account of Irena Sendler--the "female Oskar Schindler"--who took staggering risks to save 2,500 children from death and deportation in Nazi-occupied Poland during World War II"--Dust jacket.

Holy Week Jerzy Andrzejewski 2006-12-01 At the height of the Nazi extermination campaign in the Warsaw Ghetto, a young Jewish woman, Irena, seeks the protection of her former lover, a young architect, Jan Malecki. By taking her in, he puts his own life and the safety of his family at risk. Over a four-day period, Tuesday through Friday of Holy Week 1943, as Irena becomes increasingly traumatized by her situation, Malecki questions his decision to shelter Irena in the apartment where Malecki, his pregnant wife, and his younger brother reside. Added to his dilemma is the broader context of Poles' attitudes toward the "Jewish question" and the plight of the Jews locked in the ghetto during the final moments of its existence. Few fictional works dealing with the war have been written so close in time to the events that inspired them. No other Polish novel treats the range of Polish attitudes toward the Jews with such unflinching honesty. Jerzy Andrzejewski's *Holy Week* (*Wielki Tydzien*, 1945), one of the significant literary works to be published immediately following the Second World War, now appears in English for the first time. This translation of Andrzejewski's *Holy Week* began as a group project in an advanced Polish language course at the University of Pittsburgh. Class members Daniel M. Pennell, Anna M. Poukish, and Matthew J. Russin contributed to the translation; the instructor, Oscar E. Swan, was responsible for the overall accuracy and stylistic unity of the translation as well as for the biographical and critical notes and essays.

Flags Over the Warsaw Ghetto Moshe Arens 2019-04-16 The Warsaw Ghetto Uprising has become a symbol of heroism throughout the world. A short time before the uprising began, Pawel Frenkel addressed a meeting of the Jewish Military fighters: Of course we will fight with guns in our hands, and most of us will fall. But we will live on in the lives and hearts of future generations and in the pages of their history.... We will die before our time but we are not doomed. We will be alive for as long as Jewish history lives! On the eve of Passover, April 19, 1943, German forces entered the Warsaw ghetto equipped with tanks, flame throwers, and machine guns. Against them stood an army of a few hundred young Jewish men and women, armed with pistols and Molotov cocktails. Who were these Jewish fighters who dared oppose the armed might of the SS troops under the command of SS General Juergen Stroop? Who commanded them in battle? What were their goals? In this groundbreaking work, Israel's former Minister of Defense, Prof. Moshe Arens, recounts a true tale of daring, courage, and sacrifice that should be accurately told out of respect for and in homage to the fighters who rose against the German attempt to liquidate the Warsaw ghetto, and made a last-ditch fight for the honor of the Jewish people. The generally accepted account of the Warsaw Ghetto Uprising is incomplete. The truth begins with the existence of not one, but two resistance organizations in the ghetto. Two young men, Mordechai Anielewicz of the Jewish Fighting Organization (ZOB), and Pawel Frenkel of the Jewish Military Organization (ZZW), rose to lead separate resistance organizations in the ghetto, which did not unite despite the desperate battle they were facing.
