Captured by humans from the wild seas, kept enclosed in swimming pools, and made to perform for his food, Tilikum investigates where his soul will go after his body dies. It is a question we ALL need to know the answer to. Where do we go if we don't believe in an after-life, or don't think about it? Are we assured, Heaven? Do we reincarnate? These and many other questions are formed in ours and Tilikum's minds when we contemplate physical death. On the other side of questioning our beliefs, we can find solace and more faith. We can discover our passions and our purpose for living. For Tilikum, these and other issues were paramount for peace of mind and a promising future. Tilikum's Ascension poses a deep, searching into what we believe. A short approx. 1.5-2 hours read.

Rescue Matters Charmaine J. English 2018-12-13 Rescue Matters is based on true events that happened in Rolette County, North Dakota from 2013 to 2018, a five year period of time where blood was spilled and sweat and tears formed rivers. One man rallied a small team who would transform a landscape known for death and despair into hope and salvation. By saving nearly seventy starving and unwanted animals each month, Keith Benning and his team have changed the world for thousands of dogs and tens of thousands more to come. Through a series of riveting and inspiring real-life rescue stories, Rescue Matters tells a larger tale of tragedy-meets-redemption. In a land forgotten, with an insurmountable problem, a spark of hope ignites a fire. One man's will to persevere against all odds proves that it doesn't take a government or law to change the world. It only takes a few people trying to make a difference to start a revolution.

God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian cliches that minimize a womans true position in Christ!
