Revitalizing Christianity Study Guide Charlie Webster 2012-02 The book *Revitalizing Christianity* takes the reader through ten areas where Christians misunderstand highly motivating Christian truths. This study guide is designed to work with an individual or group interested in seriously studying the Bible with the help of that book. Many Christians have doubts about the reality of God. Attacks, especially in the realm of science, have many questioning whether the God of the Bible is real. Without getting bogged down in the science, Mr. Webster provides simple assurance that the God of Christianity is the only real God. But the God of Christianity has gained a terrible reputation, and these books address how understanding the biblical message from God's perspective reveals a God who really is good and wonderful and even exciting. Mr. Webster addresses misunderstandings about Christian love and the nature of sin, saving faith, Christian hope (heaven), God's plan, the role of suffering, the role of prayer, the role of Christian forgiveness, and the role of the church, taking the reader back to the Bible over and over to show that Christianity was always meant to be exciting and good.

Speak Laurie Halse Anderson 2019-08-22 A fiercely authentic, critically acclaimed and award-winning modern classic. 'Speak up for yourself - we want to know what you have to say.' From my first day at Merryweather High, I know this is a lie. Nobody will even talk to me, let alone listen - all because I called the cops on an end-of-summer party. But if I could only tell everyone why I called the police that night... If I could explain what happened to me... If I could speak... Then everything might change. 'With the rise of women finding their voices and speaking out about sexual assault in the media, this should be on everyone's radar... Powerful, necessary, and essential.' - Kirkus

Breakthrough Ken Braddy 2022-08-16 A church without discipleship is just a gathering. It is an important distinction that many pastors and leaders have known for years. In leading their churches well, pastors have provided a trustworthy curriculum, enlisted gifted teachers, and have made sure to offer times for members to gather and fellowship with each other. However, amid all these gatherings, one question kept popping up among leaders, "How do we know if what we are doing is working?" Over the years, leaders have tried to answer this question with numbers. If people attended these groups and seemed to enjoy the material, then they must be finding success. Ken Braddy, the director of Sunday school for Lifeway Christian Resources, felt that there had to be a better way to measure what matters. In Breakthrough, Ken guides leaders to measure their groups by observing if they are discipling each other, if they are caring for others in and outside of their group, and if they are engaging in acts of service. Breakthrough offers a new scorecard for leaders to not only track the progress of their groups but measure their success.
