But Rust was playing me all along. He didn't want my help. He just wanted my body. Now, he's

dragging me into an underworld that I'll never survive. But I can't say no to him. His touch, his scent, his power... It's all too much to resist. I'm a good girl librarian, not a rebel biker chick. But when I'm on the back of Rust's bike, I feel like the whole world is ours. I'll be whoever he wants me to be. His ride or die. His old lady. And the mother of his children. Dragons Esther E. Schmidt 2019-11-22 Since the beginning of time Dragons have existed and live in solitude among their own clans and traditions. Enya lives in the human world but is aware of the fact she's a Dragon. She never encountered any others of her kind and doesn't remember her past. She craves to find out more about herself until she's suddenly faced with a presumptuous, old-fashioned biker who'd rather demand information than willingly provide. Vaughn, Dragon shifter and President of the Dragons Charter, has been the leader of his clan for decades. His clan has been facing problems due to ancient traditions which complicate their very existence. When Vaughn becomes aware of the horrific fact of the existence of a half-blood, he's dead set to handle this abomination accordingly; for a Dragon needs to be a pure blood. A Dragon shifter is adamant, stubborn, and hot-tempered though evolution has a way to make you see reason within havoc. Can ancient traditions withstand modern times? Or will clan members refuse allegiance, leaving Vaughn and Enya no other option then to fight for the right of existence? believe in love, and they take what they want when they want it. Tonight, Keith Lee wants me. One look at those hungry eyes and I know what's on his mind. He's already made his decision to make me his plaything. I should've known better than to jump in the devil's bed. But I can't get his words out of my head: "You're MINE." KEITH Wise guys don't fall in love. Not in this business. I made that mistake once and almost paid the ultimate price for it. I never expected Kristina to re-open all the old wounds. One stupid moment. One single night. That's all it took. But once won't be enough, and there's a war coming--with her caught up in the middle of it all. I'll keep her safe. Keep her alive. Inked Sins Claire St. Rose 2019-07-11 This is book 3 and the finale of the Fallen Angels MC series! He's a monster and a sinner – and I'm chained to his bed. I shouldn't be here. But it's too late to run. Staying here might mean risking everything – my life, my body, my sanity. But I can't go back to what I was before. I'm addicted to the biker's touch. CAROLINE I think part of me always knew he'd hurt me. Isn't that just what bad boys do? They convince you they're different than the rest. They get you to let your guard down. And then they shatter your heart into a million little pieces. Mason was no different in that regard. He convinced me he was a rebel with a heart of gold. And for one blissful moment, I believed him. Then the war came crashing down on my head. Before I know it, I'm dodging bullets and riding for my life. I'm not cut out for this motorcycle club business. I like numbers, my puppy, helping people – just sweet, innocent things. I'm not the type of girl for him. But Mason has me pinned

down and he won't let me go. He says it's for my own safety. He says I need his protection. And the second he lays his hands on me, I know one thing: I'll never be able to go back to my old life again. I belong to the biker now. MASON It might've been a mistake to bring her in. But there was chaos in my club, and I needed an ally. She was just supposed to be a numbers freak. To look through my accounting books and figure out what the hell was going on. But there was danger lurking in the shadows... And before I could protect her from it, it dragged us both down to hell. She doesn't think can trust me. Fair enough. I probably wouldn't trust me either. I'm everything she's been taught to fear: A liar, a killer, a biker, a beast. I'm a cold-blooded S.O.B. who will screw you senseless and be gone before you wake up. I'm a drug-running outlaw kingpin... And I'm never, ever gonna apologize for it. But despite all my sins, there's one thing that will always be true: I always protect what's mine. I may have got Caroline caught in the middle of this vicious crossfire. But I'm not gonna rest until I get her out. That's an outlaw's oath.
