Sikhs in Britain Gurharpal Singh 2006-07 Publisher description

Beyond Suppression: Global Perspectives on Youth Violence Joan Serra Hoffman 2010-11-18 This examination of youth violence provides readers with insights from international experts and real-life examples of how nations and communities around the world have successfully dealt with the issue. • Contains contributions from over 20 international experts describing measures to address youth violence within the political, social, cultural, and economic contexts of their environments • 12 case studies illustrate the various conceptual and programmatic approaches for understanding, preventing, and reducing youth violence in various countries • Over 50 citations of seminal research and programmatic works in the areas of public health, restorative justice, and resilience-based approaches to youth violence

G-dog and the Homeboys Celeste Fremon 2008 This is an updated edition of the story of the gang scene in East L.A. and Father Gregory Boyle's innovative ministry and economic development efforts in the area.

Father Greg and the Homeboys Celeste Fremon 1995-07-14 Of all the gang-riddled urban corners in America, the Pico-Aliso neighborhood of East Los Angeles is among the most intense. Eight separate gangs - seven of them Latino - fight for turf here every night in desperate confrontation. The constant maelstrom of high drama and tragedy has bred a dramatic and desperate cast of characters. These are the homeboys - young men between the ages of thirteen and twenty-two, with names like Wicked, Shotgun, and Ghost - who have turned to the streets for self-definition. And Father Greg Boyle is often the one safe anchor in the constantly shifting turbulence of their lives. In a world with too few genuine heroes, Greg Boyle is the real thing. A complicated and charismatic man, Father Greg (or "G-Dog," as the kids call him) offers hope to these young men and women on whom the rest of the world has given up. Father Greg is the one to whom the mothers in the neighborhood turn to pull their sons back from the brink of despair - or to bury their sons when hope and help did not come soon enough. Celeste Fremon takes the reader into the previously unexplored realms of contemporary Mexican-American street gangs. Fremon opens the door to this world with detailed portraits of the East L.A. homeboys' brutality and of their dreams, their anguish, and their humanity - all against the backdrop of the priest's relentless battle to stop the killing. Finally, after giving years to what he believes is his true calling, by decree of the Catholic hierarchy, Father Greg is sent away from the community and the homeboys who have come to love and depend upon him. It is then that we see the power of the mothers of the barrio as they go to war to bring their priest back "home."

The Oxford Handbook of Mobile Music Studies, Volume 2 Sumanth Gopinath 2014-03 The two volumes of The Oxford Handbook of Mobile Music Studies consolidate an area of scholarly inquiry that addresses how mechanical, electrical, and digital technologies and their corresponding economies of scale have rendered music and sound increasingly mobile-portable, fungible, and ubiquitous. At once a marketing term, a common mode of everyday-life performance, and an instigator of experimental aesthetics, "mobile music" opens up a space for studying the momentous transformations in the production, distribution, consumption, and experience of music and sound that took place between the late nineteenth and the early twenty-first centuries. Taken together, the two volumes cover a large swath of the world-the US, the UK, Japan, Brazil, Germany, Turkey, Mexico, France, China, Jamaica, Iraq, the Philippines, India, Sweden-and a similarly broad array of the musical and nonmusical sounds suffusing the soundscapes of mobility. Volume 2 investigates the ramifications of mobile music technologies on musical/sonic performance and aesthetics. Two core arguments are that "mobility" is not the same thing as actual "movement" and that artistic production cannot be absolutely sundered from the performances of quotidian life. The volume's chapters investigate the mobilization of frequency range by sirens and miniature speakers; sound vehicles such as boom cars, ice cream trucks, and trains; the gestural choreographies of soundwalk pieces and mundane interactions with digital media; dance music practices in laptop and iPod DJing; the imagery of iPod commercials; production practices in Turkish political music and black popular music; the aesthetics of handheld video games and chiptune music; and the mobile device as a new musical instrument and resource for musical ensembles.

Rice, Fish, Squid and Lamb Miriam Isa 2011-02-01 A novel on deception. The book chronicles the first love encountered by the main character, Liz. It follows her observations from a

tender age of 5 to present day, 2009.

Redemption Song Mike Marqusee 2016-06-01 This updated edition considers Muhammad Ali and his legacy in light of the war on terror. In this timely antidote to the apolitical celebration of Muhammad Ali as 'a great American', Mike Marqusee puts the great boxer back in his true historical context, to explore a crucial moment at the crossroads of popular culture and mass resistance. And, in a new afterword for this second edition, he reflects on Ali's legacy in the era of the 'war on terror'.

Listening to Poetry Jeremy Trabue 2019-09-01 Something sad happens between preschool and college: most of us unlearn our natural love of poetry, a love that is rooted in sound and surprise, pattern and play, discovery and delight. This book aims to reverse that tragedy. Based on fifteen years of teaching, and dedicated to the belief that rigor and accessibility are compatible, Listening to Poetry takes nothing for granted, and builds students' confidence and skills from the ground up. It uses innovative, student-centered, and process-based approaches, including practical how-tos and skill-focused exercises for every subject covered. Poems don't have to be approached like riddles to be solved, codes to be cracked, or prisoners to be interrogated. There is a better way, and it starts right here. Don't take our word for it, though. Listen to students who've read this book: "I need to give full appreciation to this book for my new-found love of poetry... I have found myself a new hobby." "Before this book I was overwhelmed by poetry and felt I would never be artistic enough to create or analyze it. Now I feel very comfortable... and am excited to continue my appreciation for the art." "I have found my love for poetry from reading this book. I have learned how to read poetry and how to understand it."

SPIN 1994-10 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

Songs in the Key of Fife Vic Galloway 2013-07-08 The East Neuk of Fife may seem like an unusual place for a musical revolution. However, in amongst the sleepy fishing villages and rolling fields, a small community of gifted musicians has quietly crept up on the world. From psychedelic troubadours The Beta Band to the mult-million-selling KT Tunstall, acclaimed singer-songwriter James Yorkston and the reigning monarch and lynchpin of the Fence Collective, King Creosote, Songs in the Key of Fife plots the unique, intertwining tales of these Fifers from their schooldays to the present day. This fascinating story, full of personal anecdotes and insights, provides an in-depth look at a unique collective of musicians who have experienced the extreme highs and the desperate lows of the music business over 20 years and why this craggy outpost on the east coast of Scotland is responsible for providing us with so many talented artists.

The Homeboy Songs Robert Lashley 2014-04-29 Poetry. THE HOMEBOY SINGERS is Robert Lashley's complex homage to the black community of Tacoma, Washington. As part of a Northwest population with people from the deep South and a survivor of the Hilltop gang wars of the early 90's, Lashley's poetry makes sense of the multitude of voices that have surrounded him over the years. His passion joins high lyric poetry burnished by narrative structure, with a language attuned to the ear and the complexities of the human voice.

The Beauty I Have Seen Tanure Ojaide 2010 The beauty I have seen -- Doors of the forest & other poems -- Flow & other poems.

Home Boy George Pete Nelson 2020-11-08 Homeboy epitomizes the struggle of the author, George Pete Nelson, with that of Atlantic City (Queen of Resorts). The power resurgence of both entities is evident. Atlantic City is showing resiliency in its combat, and so is the author.

The Encyclopedia of Popular Music Colin Larkin 2011-05-27 This text presents a comprehensive and up-to-date reference work on popular music, from the early 20th century to the present day.

Up South Robert Lashley 2017-03-28 Poetry. African & African American Studies. In UP SOUTH, his second book of poems, Robert Lashley has gone deeper into the rituals, folklore, and ceremonies of Black Tacoma. This is a book about cities within cities, where the present has roots in decades of history, and the evidence of things unseen still guides people's actions. In different forms, voices, and modes of rhetoric, Lashley paints complicated, moving pictures of environments, and people trying to survive in them.

Hillbilly Rich Jeff Kerr 2011

Ebony 1992-01 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-

focused magazine.

House Music.the Real Story Jesse Saunders 2007-11 Jesse Saunders a story is one of the most important in the history of popular culture. From his hometown of Chicago, Jesse created the first original House music record and launched the House music movement across the land. Eventually, his style of music would come to sell millions of records and CDs, take over the popular consciousness of millions of kids across the earth and cement the electronic revolution in music. Written with author James Cummins, this autobiography tells the story of how it all happened. From the streets of Chicago to the biggest music labels in Los Angeles, California, it follows Jesse Saunders as he recreates the musical landscape of America. Touching on the celebrity culture of the 1980s and 1990s and into the twenty-first century, you will read many shocking things about some of your favorite artists. Jesse Saunders is an artist whose influence on modern music will never be forgotten.

Boomer Linda Grant Niemann 2011-04-07 "A fascinating mix of fact, history, self-confession, self-accusation, and self-forgiveness—a diary of both emotional relationships and travel." —Pasatiempo This classic account of self-discovery and railroad life describes Linda Grant Niemann's travels as an itinerant brakeman on the Southern Pacific. Boomer combines travelogue, Wild West adventure, sexual memoir, and closely observed ethnography. A Berkeley Ph.D., Niemann turned her back on academia and set out to master the craft of railroad brakeman, beginning a journey of sexual and subcultural exploration and traveling down a path toward recovery from alcoholism. In honest, clean prose, Niemann treks off the beaten path and into the forgotten places along the rail lines, finding true American characters with colorful pasts—and her true self as well. "Ma[kes] the railroad experience come alive with all its grit, danger, romance, and general outrageousness . . . Possibly the finest book I've ever read about the actual experience of working on the railroad." —Trains Magazine "Niemann has a taut, lyrically restrained but vividly descriptive style, with an observational vigilance befitting a brakeman's mindset, and her narrative clips along like a boxcar rolling through the yard." —Bloom Magazine "A remarkable adventure tale, the occupational odyssey of the Ph.D. in literature who immerses herself in blue-collar America." —Library Journal

Ebony 1992-03 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

The Fabulous Sinkhole and Other Stories Jesús Salvador Treviño 1995-04-01 The Fabulous Sinkhole and Other Stories is a first collection of short stories by noted film director and writer, Jesús Salvador Treviño. Treviño's decision to write a collection of short stories arose from his frustration over years Hollywood rejecting his film projects with Hispanic characters and themes. Rather than give up, he channeled his energy into these short stories. Through his interconnected stories, Treviño gives us an off-beat, magically real and at times raucous vision of life in the barrios of Arroyo Grande, Texas. Ever the observer of the tragicomic human scene, Treviño recreates for the reader the world of adults as overheard and filtered through the understanding of the young. Each adult action creates a wave of repercussions for the children, be it love triangles, petty jealousies or revenge. The rich texture of the narrative and the rich diversity of Hispanic characters all come to a romping, feverish end with a fantasy that features an army of movie stereotypes of Hispanics who have returned as zombies bent on avenging themselves on Hollywood directors and screenwriters.

Josephine Baker in Art and Life Bennetta Jules-Rosette 2007 Josephine Baker (1906-1975) was a dancer, singer, actress, author, politician, militant, and philanthropist, whose images and cultural legacy have survived beyond the hundredth anniversary of her birth. Neither an exercise in postmodern deconstruction nor simple biography, Josephine Baker in Art and Life presents a critical cultural study of the life and art of the Franco-American performer whose appearances as the savage dancer Fatou shocked the world. Although the study remains firmly anchored in Josephine Baker's life and times, presenting and challenging carefully researched biographical facts, it also offers in-depth analyses of the images that she constructed and advanced. Bennetta Jules-Rosette explores Baker's far-ranging and dynamic career from a sociological and cultural perspective, using the tools of sociosemiotics to excavate the narratives, images, and representations that trace the story of her life and fit together as a cultural production.

CMJ New Music Monthly 1998-01 CMJ New Music Monthly, the first consumer magazine to include a bound-in CD sampler, is the leading publication for the emerging music enthusiast. NMM is a monthly magazine with interviews, reviews, and special features. Each magazine comes with a CD of 15-24 songs by well-established bands, unsigned bands and everything in between. That's the Joint! Murray Forman 2004 Spanning 25 years of serious writing on hip-hop by noted scholars and mainstream journalists, this comprehensive anthology includes observations and critiques on groundbreaking hip-hop recordings.

Everybody's America David Witzling 2012-09-10 Everybody's America reassesses Pynchon's literary career in order to explain the central role played by the racialization of American culture in the postmodernist deconstruction of subjectivity and literary authority and in the crisis in white liberal culture. It charts the evolution of both these cultural transformations from Pynchon's early short stories, composed in the late 1950s, through Gravity's Rainbow, published in 1973. This book demonstrates that Pynchon deploys techniques associated with the

decentering of the linguistic sign and the fragmentation of narrative in order to work through the anxieties of white male subjects in their encounter with racial otherness. It also charts Pynchon's attention to non-white and non-Euro-American voices and cultural forms, which imply an awareness of and interest in processes of transculturation occurring both within U.S. borders and between the U.S. and the Third World. In these ways, his novels attempt to acknowledge the implicit racism in many elements of white American culture and to grapple with the psychological and sociopolitical effects of that racism on both white and black Americans. The argument of *Everybody's America*, however, also considers the limits of Pynchon's implicit commitment to hybridity as a social ideal, identifying attitudes expressed in his work that suggest a residual attraction to the mainstream liberalism of the fifties and early sixties. Pynchon's fiction dramatizes the conflict between the discourses and values of such liberalism and those of an emergent multiculturalist ethos that names and valorizes social difference and hybridity. In identifying the competition between residual liberalism and an emergent multiculturalism, *Everybody's America* makes its contribution to the broader understanding of postmodern culture.

How to Rap Paul Edwards 2009-12 "A complete guide to the art and craft of the MC, anyone who's serious about becoming a rapper should read this first." -Hip Hop Connection magazine
"A clever breakdown of the art form of hip-hop rhymes... It's about time someone actually recognized this powerful music for its artistic integrity." -Speech, Arrested Development
Examining the dynamics of hip-hop from every region and in every form-mainstream and underground, current and classic-this compelling how-to discusses everything from content and flow to rhythm and delivery. Compiled from the most extensive research on rapping to date, this first-of-its-kind guide delivers countless candid and exclusive insights from more than 100 of the most critically acclaimed artists in hip-hop-including Clipse, Cypress Hill, Nelly, Public Enemy, Remy Ma, Schoolly D, A Tribe Called Quest, and will.i.am-revealing the stories behind their art and preserving the genre's history through the words of the legends themselves. Beginners and pros alike will benefit from the wealth of rapping lore and insight in this remarkable collection."--

Postcolonial, Queer John C. Hawley 2001-08-30 Uses postcolonial theory to critique the globalization of gay culture.

Black Social Dance in Television Advertising Carla Stalling Huntington 2014-01-10 The influence of dance upon consumers has long been understood by advertisers. This work investigates the use of black social dance in television advertising. Covering the 1950s through the 2010s in the United States, dance is shown to provide value to brands and to affect consumption experiences. An interdisciplinary work drawing upon anthropological, phenomenological and cultural theoretical approaches, the text provides a theory of dance for a culture that has consistently drawn upon African-American arts to sell products.

La Haine (Mathieu Kassovitz, 1995) Ginette Vincendeau 2005

Green River Valley Robert Lashley 2021-06-17 *Green River Valley*, Robert Lashley's third poetry collection, is an unapologetic and harrowing look at gentrification, racism, and personal and collective loss in his hometown of Tacoma, Washington. With each poem, Lashley asks readers to bear witness to his lived experiences there and to honor the people, places and memories that shaped him alongside the city we know today. Lashley pulls no punches in this collection, which showcases his signature, rhythmic eloquence and acuity more than ever. His narrative threads expose hidden intimacies amid trauma and ambivalence in the face of institutionalized racism. Readers will leave this book asking, how do we build and honor a city's legacy, and what part did we take in that journey?

Single Season Sitcoms of the 1990s Bob Leszczak 2018-09-14 During the "Must See TV" 1990s, Americans enjoyed such immensely popular sitcoms as *Friends*, *Seinfeld*, *Home Improvement* and *The Drew Carey Show*. Shows that did not make the ratings cut numbered in the hundreds—the emergence of new networks and cable channels airing original programming resulted in a vast increase in short-lived sitcoms over the previous decade. Some of these "flops" were actually quite good and deserved a better fate. The author revisits them—along with the "dramedies" of the day—with detailed entries providing production and broadcast information, along with critical analyses, and recollections by cast and crew members. A subsection highlights sitcoms that returned for an abbreviated second season. Dozens of cast and crew photographs are included.

Race and Cultural Practice in Popular Culture Domino Renee Perez 2019 This book is an innovative work that takes a fresh approach to the concept of race as a social factor made concrete in popular forms, such as film, television, and music. The essays push past the reaffirmation of static conceptions of identity, authenticity, or conventional interpretations of stereotypes and bridge the intertextual gap between theories of community enactment and cultural representation.
