TODAY BESTSELLER Tessa Bailey is back with a Schitt's Creek-inspired rom-com about a Hollywood "It Girl" who's cut off from her wealthy family and exiled to a small Pacific Northwest beach town... where she butts heads with a surly, sexy local who thinks she doesn't belong. As seen on E!Online, PopSugar, CNN, EliteDaily, Vulture, Buzzfeed, Bustle, the Nerd Daily, PARADE, LA Magazine, Country Living, USA Today, and more! Piper Belling is fashionable, influential, and her reputation as a wild child means the paparazzi are constantly on her heels. When too much champagne and an out-of-control rooftop party lands Piper in the slammer, her stepfather decides enough is enough. So he cuts her off, and sends Piper and her sister to learn some responsibility running their late father's dive bar... in Washington. Piper hasn't even been in Westport for five minutes when she

meets big, bearded sea captain Brendan, who thinks she won't last a week outside of Beverly Hills. So what if Piper can't do math, and the idea of sleeping in a shabby apartment with bunk beds gives her hives. How bad could it really be? She's determined to show her stepfather—and the hot, grumpy local—that she's more than a pretty face. Except it's a small town and everywhere she turns, she bumps into Brendan. The fun-loving socialite and the gruff fisherman are polar opposites, but there's an undeniable attraction simmering between them. Piper doesn't want any distractions, especially feelings for a man who sails off into the sunset for weeks at a time. Yet as she reconnects with her past and begins to feel at home in Westport, Piper starts to wonder if the cold, glamorous life she knew is what she truly wants. LA is calling her name, but Brendan—and this town full of memories—may have already caught her heart.

The Stopover T. L. Swan 2019-10-29 A memorable night of passion refuses to stay just a memory in this sizzling and scandalous romance from bestselling author T L Swan. I was upgraded to first class on a flight from London to New York. The food, champagne, and service were impeccable--the blue-eyed man sitting next to me, even better. He was smart, suave, and sexy. We talked and flirted--and though the plane was unexpectedly grounded, we still felt sky high in each other's company. We danced and laughed our way around Boston...and had a night of crazy passion that no woman could forget. That was twelve months ago, and I haven't heard from him--until today. I started a new job and met the CEO. Imagine my surprise when I saw those naughty blue eyes gazing at me from behind his mahogany desk. But I'm not that carefree girl anymore. I have a boyfriend now, and responsibilities. Now he wants to see me in

his office for a private meeting. How can I resist?

To Professor, with Love Linda Kage 2014 Junior in college. Star athlete. Constant attention from the opposite sex. On this campus, I'm worshiped. While seven hundred miles away, back in my hometown, I'm still trailer park trash, child of the town tramp, and older sibling to three kids who are counting on me to keep my shit together so I can take them away from the same crappy life I grew up in. These two opposing sides of myself never mix until one person gets a glimpse of the true me. I never expected to connect with anyone like this or want more beyond one night. This may be the real deal. Problem is Dr. Kavanagh's my literature professor. If I start anything with a teacher and we're caught together, I might as well kiss my entire future goodbye, as well as my family's and especially Dr. Kavanagh's. Except sometimes love is worth risking everything. Or at least, it damn well better be, because I can only resist so much.

The Truth about Tomorrow B Celeste 2019-07-15 Age is just a number. Just like he's just a boy and I'm just a girl. Except that's not true, is it? Because fifteen may be a number, but it's bigger than that. Bigger than us. It's a number that separates us. An excuse that keeps us apart. But I'm not willing to give in until I get what I want. After all, how many other girls can bring a grown man to his knees with one little smile?

Dance Like a Man Mahesh Dattani 2006 Jairaj Parekh and his wife Ratna, ageing Bharatanatyam dancers, are engaged in finding a substitute mridangam player to accompany their daughter Lata at her performance at a high-profile dance festival. Lata, in the meantime, nervously awaits the meeting between her parents and Viswas, the young man she wishes to marry. When the four meet, and in the conversations and discussions that

follow, the fissures in the relationship between Jairaj and Ratna begin to explode into high-strung battles which lead back to their own youth and the tragedy that lies at the heart of their discord. The younger couple have their own issues to contend with: the obvious mismatch between the two sets of parents, the arguments over Lata's career as a dancer after marriage and, most unsettling of all, Lata's attempt to balance her parents' ambition with her own needs and desires. A brilliant study of human relationships and weaknesses framed by the age-old battle between tradition and youthful rebellion, *Dance Like a Man* has been hailed as one of the best works of the dramatic imagination in recent times.

Think Like a Monk Jay Shetty 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: - How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose - Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his re?sume?, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach

them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Nicomachean Ethics Aristotle 2021-11-13 Nicomachean Ethics Aristotle - The Nicomachean Ethics is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher."

Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the Ethics that is as remarkably faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's Ethics in his political philosophy as a whole. The Nicomachean Ethics has engaged the serious interest of readers across

centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. Nineteen Eighty-Four George Orwell 2021-01-09 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like

before the Party came to power.

A Room of One's Own Virginia Woolf 2020-10-29 In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as *A Room of One's Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' — Kate Mosse, *The Guardian* 'Probably the most influential piece of non-fictional writing by a woman in this century.' — Hermione Lee, *The Financial Times*

The Man I Can't Have Shanora Williams 2019-04-26 It started as as a simple search for a landscape designer...I wanted a beautiful backyard for my new home and my neighbors suggested I look into Ward Landscaping & Design. The owner had no pictures of himself on his website, just a portfolio of nice outdoor sitting areas, pools, and vibrant gardens that I'd always dreamed of having. Of course I hired him. I expected to meet an average guy, but Mr. Marcel Ward is far from your average man. He's handsome, and well-built, and his smile-though a rare trait-is truly infectious. He's every woman's dream-a handsome, older man who doesn't mind getting down and dirty to create something beautiful all because of his passion for it.

Unfortunately that lucky woman can't be me. Although Mr. Ward tests my limits, quickens my breath, and makes my heart skip a beat when he's around, I've made a promise to devote myself to my husband. So why am I falling for a man I know I can't have?

À nos démons intimes J.M. Darhower 2020-04-23 Ignazio Vitale n’est pas un homme bon. Je le soupçonne dès notre première rencontre, je sens le danger qui entoure cet homme. Il a une façon d’exiger l’attention, de prendre le contrôle, de savoir ce que je pense avant même que je le sache. C’est à la fois inquiétant et attirant. C’est sombre et redoutable. C’est tout ce que j’ai toujours voulu, et pourtant la dernière chose dont j’ai besoin. Une obsession. Il ne lui faut pas longtemps pour m’attirer dans sa toile, me charmer jusque dans son lit et me prendre au piège de sa vie, une vie dont j’ignore tout avant qu’il soit trop tard. Il a des secrets, des secrets que je ne peux percer et qui m’empêchent de partir, même si je le supplie de me laisser m’en aller. Je l’aperçois parfois dans ses yeux, cette noirceur terrifiante et fascinante à la fois. C’est un monstre dans un emballage somptueux, et ce que je découvre en le démasquant change absolument tout. J’ai envie de le haïr. Parfois même, j’y parviens. Et pourtant, ça ne m’empêche pas de l’aimer.

Secrets of the Millionaire Mind T. Harv Eker 2009-10-13 Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to

dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

Face to Face Meetings With Jesus Christ 2 (PDF) Felix Wantang 2014-08-15 One common attribute we all share as humans is the fact that whenever there is an important future event, we always

make necessary preparations in anticipation of an outcome from the event. We do this with childbirth, graduation from school, marriage, vacation, and death. But when it comes to the second visit of Jesus Christ leading to the End of the Age, we seem to care less about the need for some serious preparations. Before death, we will all come to a point in life when we subconsciously without notice start to briefly analyze our path; where we came from, where we are, and where we honestly think we are going after death. After this unprecedented brief moment, our next step is largely determined by the analysis obtained from the pause. That you accepted Jesus Christ as the son of God is not enough to save you from hell; you must repent and live by God's law to enter His Paradise in Heaven. Anybody can believe in Jesus Christ; but not everybody can live for Jesus Christ. God made you for a specific unique supernatural divine purpose beyond your imaginable dreams. This book will guide you, restore you, energize you, and move you to that place where you seriously start to prepare to have your salvation completely sealed through him as you successfully live to please God through Jesus Christ. This book is a sequel to "Face to Face Meetings with Jesus Christ".
