The Favor Suzanne Wright 2020 Vienna Stratton knew she only had herself to blame. You didn't let yourself become indebted to a man like Dane Davenport, no matter how badly you needed his help. As his personal assistant, she was very aware that the globally successful CEO was ruthless and unforgiving. Of course, if she'd known he'd request that she be his wife for twelve months, she'd have hesitated in accepting his help. Because what she'd learned from Dane was that the devil wasn't ugly and terrorising. He was seductive and captivating. He hummed with whispers of temptation – the temptation to sin and surrender, to let him brand and possess you. He awakened every need and fantasy you had. He could even make you love him.

LSD, My Problem Child Albert Hofmann 2005 This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmanns powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now, more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.

Window Music Anastasia Suen 2014-06-30 What could be more fun than a train ride--the excitement of going places, the rhythmic sounds of the train clattering down the tracks, and the vivid window music of passing scenery. This books capture the spirit of a train ride--from sky-high bridges to deep valleys to rolling vineyards to the lights of a distant city.

Neon Gods Katee Robert 2021-06-01 He was supposed to be a myth. But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine. *A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet.* Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade. With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed. Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...

Sports-Related Concussions in Youth National Research Council 2014-02-04 In the past decade, few subjects at the intersection of medicine and sports have generated as much public interest as sports-related concussions - especially among youth. Despite growing awareness of sports-related concussions and campaigns to educate athletes, coaches, physicians, and parents of young athletes about concussion recognition and management, confusion and controversy persist in many areas. Currently, diagnosis is based primarily on the symptoms reported by the individual rather than on objective diagnostic markers, and there is little empirical evidence for the optimal degree and duration of physical rest needed to promote recovery or the best timing and approach for returning to full physical activity. *Sports-Related Concussions in Youth: Improving the Science, Changing the Culture* reviews the science of sports-related concussions in youth from elementary school through young adulthood, as well as in military personnel and their dependents. This report recommends actions that can be taken by a range of audiences - including research funding agencies, legislatures, state and school superintendents and athletic directors, military organizations, and equipment manufacturers, as well as youth who participate in sports and their parents - to improve what is known about concussions and to reduce their occurrence. *Sports-Related Concussions in Youth* finds that while some studies provide useful information, much remains unknown about the extent of concussions in youth; how to diagnose, manage, and prevent concussions; and the short- and long-term consequences of concussions as well as repetitive head impacts that do not result in concussion symptoms. The culture of sports negatively influences athletes' self-reporting of concussion symptoms and their adherence to return-to-play guidance. Athletes, their teammates, and, in some cases, coaches and parents may not fully appreciate the health threats posed by concussions. Similarly, military recruits

are immersed in a culture that includes devotion to duty and service before self, and the critical nature of concussions may often go unheeded. According to Sports-Related Concussions in Youth, if the youth sports community can adopt the belief that concussions are serious injuries and emphasize care for players with concussions until they are fully recovered, then the culture in which these athletes perform and compete will become much safer. Improving understanding of the extent, causes, effects, and prevention of sports-related concussions is vitally important for the health and well-being of youth athletes. The findings and recommendations in this report set a direction for research to reach this goal.

Critical Theory Today Lois Tyson 2012-09-10 Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

The Plague Year Lawrence Wright 2021-06-08 'A virtuoso feat ... a book of panoramic breadth' New York Times Book Review 'A devastating analysis ... Wright is a master of knitting together complex narratives' The Observer Just as Lawrence Wright's *The Looming Tower* became the defining account of our century's first devastating event, 9/11, so *The Plague Year* will become the defining account of the second. The story starts with the initial moments of Covid's appearance in Wuhan and ends with Joseph Biden's inauguration in an America ravaged by well over 400,000 deaths - a mortality already some ten times worse than US combat deaths in the entire Vietnam War. This is an anguished, furious memorial to a year in which all of America's great strengths - its scientific knowledge, its great civic and intellectual institutions, its spirit of voluntarism and community - were brought low, not by a terrifying new illness alone, but by political incompetence and cynicism on a scale for which there has been no precedent. With insight, sympathy, clarity and rage, *The Plague Year* allows the reader to see the unfolding of this great tragedy, talking with individuals on the front line, bringing together many moving and surprising stories and painting a devastating picture of a country literally and fatally misled. 'Maddening and sobering - as comprehensive an account of the first year of the pandemic as we've yet seen' Kirkus

If It Rains Jennifer L. Wright 2021 A story of resilience and redemption set against one of America's defining moments--the Dust Bowl. It's 1935 in Oklahoma, and lives are determined by the dust. Fourteen-year-old Kathryn Baile, a spitfire born with a severe clubfoot, is coming of age in desperate times. Once her beloved older sister marries, Kathryn's only comfort comes in the well-worn pages of her favorite book, *The Wonderful Wizard of Oz*. Then Kathryn's father decides to relocate to Indianapolis, and only the promise of a surgery to finally make her "normal" convinces Kathryn to leave Oklahoma behind. But disaster strikes along the way, and Kathryn must rely on her grit and the ragged companions she meets on the road if she is to complete her journey. Back in Boise City, Melissa Baile Mayfield is the newest member of the wealthiest family in all of Cimarron County. In spite of her poor, rural upbringing, Melissa has just married the town's most eligible bachelor and is determined to be everything her husband--and her new social class--expects her to be. But as the drought tightens its grip, Henry's true colors are revealed. Melissa covers her bruises with expensive new

makeup and struggles to reconcile her affluent life with that of her starving neighbors. Haunted by the injustice and broken by Henry's refusal to help, Melissa secretly defies her husband, risking her life to follow God's leading. Two sisters, struggling against unspeakable hardship, discover that even in their darkest times, they are still united in spirit, and God is still with them, drawing them home.

Heartbreak Hotel Kenya Wright 2017-12-03 Yasmine's world breaks apart when she finds her fianc• in bed with another. Shattered, she flees LA and escapes to her second home-her sister's Key West bed and breakfast-where she bumps into her childhood friend, Hawk, who went from the chubby boy-next-door to a certified millionaire hottie. Her instincts tell her to run. Even Hawk warns her. All grown up, they're now opposites-light and darkness, fire and ice, sunshine and cold shadows. She's on a voyage to heal her heart with yoga and Google spells, while Hawk battles his demons with art and meaningless sex. Years ago, he discovered that his marriage was a lie, wasting his vows on a woman who turned out to be nothing but a cold-blooded killer. For Hawk, there's no hope for a normal life. His mind is too broken, his faith in humanity as dead as his ex-wife's victims. Heartbreak is like death. Both strip away the soul and leave the body as an empty shell. But the universe has its surprises, and as breezy days go by, Hawk and Yasmine's kinship in pain shifts from friendship to hungry lust. And although they battle against it, there's an intense passion bridging between them that they can't ignore.

Contemporary Authors James G. Lesniak 1992-10 This volume of Contemporary Authors(R) New Revision Series brings you up-to-date information on approximately 250 writers. Editors have scoured dozens of leading journals, magazines, newspapers and online sources in search of the latest news and criticism. Writers appearing in this volume include: Natilie Babbett Frederick Forsythe Maxine Hong Kingston Chris Van Allsburg The Floating Girls Lo Patrick 2022-07-12 For readers of Delia Owens's *Where the Crawdads Sing* and Louise Erdrich's *The Round House*, comes a fresh new voice in Southern fiction. A wonderfully atmospheric coming-of-age family drama told from the perspective of a feisty 12-year-old girl—reminiscent of a modern-day Scout Finch—as she unravels the secrets that threaten her entire family. The backwaters of Georgia hold many buried secrets. But they won't stay buried forever. One hot, sticky summer in Bledsoe, Georgia, twelve-year-old Kay Whitaker stumbles across a stilt house in a neighboring marsh and upon Andy Webber, a boy about her age. He and his father have recently moved back to Georgia from California, and rumors of the suspicious drowning death of Andy's mother years earlier have chased them there and back. Kay is fascinated and enamored with Andy, and she doesn't listen when her father tells her to stay away from the Webbers. But when Kay's sister goes missing, the mystery of Mrs. Webber's death—and Kay's parents' potential role in it—comes to light. Kay and her brothers must navigate the layers of secrets that emerge in the course of the investigation as their family, and the world as they knew it, unravels around them. At once wickedly funny and heartbreaking, it is an immersive coming-of-age story narrated by a feisty, smart, yet undeniably vulnerable girl reminiscent of a modern-day Scout Finch—a character who will live in readers' hearts for a long time to come. Praise for *The Floating Girls*: "A powerhouse of a Southern novel. At once a poignant coming-of-age tale, a murder mystery, and an evocative tribute to the marshlands of Georgia. Lo Patrick is a standout new Southern voice." —Andrea Bobotis, author of *The Last List of Miss Judith Kratt* "Kay is the smartest, funniest, most curious young narrator I have come across in some time. Her voice stuck with me long after I finished reading. If I met Kay on the street, I'd beg her to be my best friend." —Tiffany Quay Tyson, award-winning author of *The Past is Never* "A cracking story that unfolds in gorgeous prose in the stultifying heat of the American South." —Hayley Scrivenor, author of *Dirt Creek* "Fans of *Where the Crawdads Sing* will love this immersive mystery set against the salty air of Georgia's marshes. In Patrick's atmospheric prose, the water and its characters come to life." —Lindsey Rogers Cook, author of *Learning to Speak Southern*

27 Hours Tristina Wright 2017-10-03 Rumor Mora fears two things: hellhounds too strong for him to kill, and failure. Jude Welton has two dreams: for humans to stop killing monsters, and for his strange abilities to vanish.

But in no reality should a boy raised to love monsters fall for a boy raised to kill them. Nyx Llorca keeps two secrets: the moon speaks to her, and she's in love with her best friend, Dahlia. Braeden Tennant wants two things: to get out from his mother's shadow, and to unlearn his colony's darkest secret. To save everyone they love, they'll both have to commit treason. During one twenty-seven-hour night, these four runaways must stop the war between the colonies and the monsters from becoming a war of extinction, or the things they fear most will be all that's left.
